The Vision Continues Garth M. Rosell,1992 **A.J. Gordon** Scott M. Gibson,2001 This is a biographical study which surveys the life and career of Boston Baptist Adoniram Judson Gordon 1836 1895 and examines pre millennialism as his motivation and source of his theological understanding The study examines a moderate Calvinistic Baptist tracing his theological development and analyzing his embrace of pre millennialism and its substantial impact on his pastorate denominational work relationships and enterprises Gordon s significant role in the shaping of late nineteenth century North American Evangelical Protestant Christianity is demonstrated in this biography **Unlikely Friends** David W. Scott,Daryl R. Ireland,Grace Y. May,Casely B. Essamuah,2021-07-08 Can something as simple as friendship have a transformative impact in a divided world Through a series of richly textured historical portraits and reflections on personal experience this book shows that boundary crossing friendships in Christian mission have shaped theologies built organizations and partnerships facilitated mission work and changed attitudes and ways of thinking This is true in settings as varied as eighteenth century French women s work twentieth century urban Boston colonial India the Jim Crow South and twentieth century rural Congo In all these settings and more friendship has mattered Boundary crossing friendships are however not easy Despite their power such friendships are complicated by race gender ability class nationality and other elements of identity as this book also demonstrates Friendships are not immune from the divisions in the world nor a simple cure all for them Still friendship stands as a powerful testimony to the gospel Therefore the book calls for more attention to friendship in the study of mission history and more living out of friendship as a practice of mission In this way this book pays honor to Dr Dana L Robert as a pre eminent mission scholar and exemplary friend and mentor to others in the fields of missiology and world Christianity
