The Wisdom of Parenthood Michael Eskin, 2013 If parenthood were a function of biology adoptive parents for instance ought not to be considered parents which is absurd Thus it follows that biology cannot be an essential component of parenthood Concomitantly if parenthood were merely a function of law all those who have parented children without being their legal parents would be stripped of their de facto parenthood If then parenthood is neither a function of biology nor simply law what is it What does being a parent truly mean Rooted in the author's own experience as a father of three **THE WISDOM OF PARENTHOOD** is an insightful original and provocative philosophical meditation on the meaning experience and practice of parenthood *The New Yorker* Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 1989 Small Press Record of Books in Print Len Fulton, 1987

Passing Time Andrea Köhler, 2017 Passing time is a meditation on life's many interstitial spaces in which we spend time waiting for something to happen the queue the waiting room the place held for two when only one has arrived It forms the perfect antidote to the headlong rush of our culture Quotes on Parents and Parenting, 2008-06 Making the decision to have a child is momentous It is to decide forever to have your heart go walking around outside your body If words could describe parenthood these by Elizabeth Stone may just sum up the experience for many parents Meanwhile Playwright George Bernard Shaw has given us the much broader observation that Perhaps the greatest social service that can be rendered to the country and to mankind is to bring up a family Probably as much has been said about being a parent as there are drops in the ocean but one thing is certain one can not really know what it is like being a parent until one actually becomes themselves a parent Compiled from the wisdom of 3000 years of living and life this book seeks to personify the joys and experiences common to all parents and to celebrate the bond between children and their parents
