Martin, 2013-10-29 The perfect gift for fans of George R R Martin s A Song of Ice and Fire novels and HBO s Game of Thrones a collection of wicked one liners from the incomparable Imp of Casterly Rock fully illustrated by Jonty Clark My mind is my weapon My brother has his sword King Robert has his warhammer and I have my mind and a mind needs books as a sword needs a whetstone if it is to keep its edge The jealous masses of the Seven Kingdoms may call him Halfman but none have ever accused Tyrion Lannister of being a halfwit His golden tongue has saved his skin slightly more often than it has landed him in mortal peril Now this special illustrated volume preserves his most essential knowledge for future generations featuring time tested guidance on such varied subjects as The art of persuasion The best lies are seasoned with a bit of truth Fine dining A little honest loathing can be refreshing like a tart wine after too much sweet The fair sex The young ones smell much better but the old ones know more tricks Royal politics Crowns do queer things to the heads beneath them Common ailments A sword through the bowels A sure cure for constipation At once charming insightful and ruthlessly irreverent The Wit Wisdom of Tyrion Lannister is short on pretense and overflowing with finely crafted gems just like the man himself [The Wit & Wisdom of Tyrion Lannister](#) George R.R.

Martin and the Fantasy Form** Joseph Young, 2019-03-13 Using the frameworks of literary theory relevant to modern fantasy Dr Joseph Young undertakes a compelling examination of George R R Martin s A Song of Ice and Fire and his employment of the structural demands and thematic aptitudes of his chosen genre Examining Martin s approaches to his obligations and

licenses as a fantasist Young persuasively argues that the power of A Song of Ice and Fire derives not from Martin's abandonment of genre convention as is sometimes asserted but from his ability to employ those conventions in ways that further rather than constrain his authorial program Written in clear and accessible prose George R R Martin and the Fantasy Form is a timely work which encourages a reassessment of Martin and his approach to his most famous novels This is an important work for both students and critics of Martin's work and argues for a reading of A Song of Ice and Fire as a wide ranging example of what modern fantasy can accomplish when employed with an eye to its capabilities and purpose
