carpenter and his tools a connection so absolute that the same tool in another woodworker's hands would not respond the same. It's a must read for anyone who is passionate about woodworking or who would like to gain insight into the soul of a woodworker. We are honored to have *The Village Carpenter: The Classic Memoir of the Life of a Victorian Craftsman* by Walter Rose listed with our over 229 books on Amazon. There is another author we want to point out: John Steinbeck writes, "Alicia, I wish I could tell you about these pilots. They make me sick with envy. They ride their vehicles the way a man controls a fine, well-trained quarter horse. They weave along streambeds, rise like swallows to clear trees, they turn and twist and dip like swifts in the evening." See too how John Steinbeck writes the words and crafts them together. Just like a musician as he puts it, playing their controls like music. John Steinbeck started out just like YOU. I also started out just like you. Just like Walter Rose. Just like John Steinbeck, YOU can do it. John Hunt, the Village Carpenter; or, the way to be happy John HUNT (the Village Carpenter.), 1863. *A Book in Your Heart* The Village Carpenter, 2018-07-10. Have you ever heard it said, "We all have books in our hearts"? Have you ever said, "I should write books about that"? Have you ever heard it said, "A picture is worth a 1,000 words"? That's what this book is all about: Helping you, Yes YOU. That's what I said, YOU. On Amazon, when you search books for *The Village Carpenter*, Publishing House, you will find that we have published 250 books at least; that's what it says today. We have other books submitted that are not cleared for public reading just yet. But we find within our list of books, there is a most interesting book listed: It's *The Village Carpenter: The Classic Memoir of the Life of a Victorian Craftsman* by Walter Rose. There also listed is a review called "One of my very favorite books," August 2, 2012, by Kari A. Hultman, Lemoyne, PA, United States. This review is from *The Village Carpenter: The Classic Memoir of the Life of a Victorian Craftsman*. *The Village Carpenter* is a book that I wished would never end. The author writes about carpentry and working in his grandfather's shop in Victorian England at a time when the carpenter was vital to the life of the village and whose duties encompassed a much broader range of skills and projects than what we think of as carpentry today. The village carpenter in the late 19th c. was responsible for building everything from windows; the deft hands prompted by an alert mind, the knowledge attained only through years of study and service, the creative instinct and ability that will, by the correct use of the tools, transform the mere plank into a thing of usefulness and beauty, possibly a joy for ever. See how the words were crafted together. Just like a carpenter building a window or a washboard, Walter Rose started out just like YOU. The review continues: "The entire book is filled with memorable passages and woodworking wisdom that has since been forgotten but is still relevant. He reflects on the personality of wood and the connection between the carpenter and his tools, a connection so absolute that the same tool in another woodworker's hands would not respond the same. It's a must read for anyone who is passionate about woodworking or who would like to gain insight into the soul of a woodworker. We are honored to have *The Village Carpenter: The Classic Memoir of the Life of a Victorian Craftsman* by Walter Rose listed with our over 250 books on Amazon. There is another author we want to point out: John Steinbeck writes, "Alicia, I wish I could tell you about these pilots. They make me sick with envy."

119 The Village Carpenter,Charles Lee Emerson,2014-03 My wife Joy and I first met back in May of 2010 when she was referred to us for publication of her first book Over the first couple years we had published 4 books for Sister Joy When she invited me to go to church with her I had picked her up and we were driving west out of town A couple blocks later I saw a sign that read Young At Heart outside a rather large nice looking building I asked Joy if that were a youth meeting place She said No that is a Senior Citizens Place I told her that it looked like a good place to have Bible Study and Prayer Meetings She said they do have Bible Study there That was about 3 years ago Last August Joy and I were married and February of this year 2014 we were asked by one of the local ministers if we would have Bible Study at the Young At Heart building We said we would be honored to do it The 1st week only Joy and I came to the Bible Study and Prayer Meeting The 2nd and 3rd weeks were the same We continued hoping the people who were at the building playing cards would see our consistency and join us

as we did indeed invite them each week before we would start We would meet for about 1 hour each time Then on the 4th week Joys sister came to join us About the 7th week Sister Nora was out of town in Florida and Joy and I were again the only ones there This week The Lord prompted us to read the longest chapter in the Holy Bible We did and Joy was surprised that it didn t take very long to read it She would read and then I would read and we kept switching back and forth After we discussed what we had just read I explained how The Lord had me to publish The Book of Revelation to show that it is not that hard to read and to understand We had no more than read this longest chapter in the Holy Bible discussed it and had our discussion about The Book of Revelation when again The Lord spoke to me and said Charles Publish this chapter into a book and call it 119 So You are now reading the longest chapter in The Holy Bible and we hope you too see that it is not that hard to read the longest chapter and understand it May we suggest that before you read this or any book in The Holy Bible or any other book about The Holy Bible you would be well advised to pray first and ask the Author of The Book The Holy Bible to open your understanding and to allow you to become knowledgeable and give you wisdom as you read We have done that for years and we learn each and every day God does want us to read His Holy Word and He wants to teach us so very much Now almost 5 years later we must continue to share these same thoughts with you the reader of this book You see back then The Lord told us Charles They wouldn t read My Big Book But they will read your little books So we continue to publish books To date we have published over 215 books and God brings us new author after new author Your Book Could Be Next You must understand We are no one special In the 1st grade of school we were actually put in the corner of the room while the other kids were in reading circle It seems I just could not read as a 1st grader They even held me back for a 2nd year to try to help me to learn to read I can still remember those troubling words Run Jack Run and See The Cat and See Billy Walk but when I got to antidisestablishmentarianism I was really lost Just kidding I made it all the way to 6th grade and the teacher told my Mom if I didn t go to summer school I would fail the 7th grade Well Praise God He had other plans for me I didn t fail the 7th grade and I didn t go to summer school either and made it through high school Got a job at the local Air Force Base and 2 years later was drafted into the United States Army In the 3rd grade I saw a boy cheating on his spelling test I watched several weeks and decided to try it myself Well guess what happened I didn t get caught either My grade card reflected an improvement I was off to the *Jacob the Book Village Carpenter Staff*, Charles Lee Emerson, 2009-12-18 Have you ever wanted to read about Jacob Only about Jacob The one whose name was changed to Israel A prince that would have power with God and with men And nothing else Well now you can That s right We have put the words about Jacob and only the words about Jacob in this book Let us caution you for the full meaning of all the words about Jacob You must use The Holy Scriptures The Holy Bible Also may we suggest one thing Before you begin simply say a small prayer something like this Dear God help me to read Your Words help me to understand Your Words and help me to read all Your Words In your Sons name AMEN *The Carpenter's Family: a Sketch of Village Life.
