The Volcano Adventure Guide:

The Volcano Adventure Guide Rosaly M. C. Lopes, 2005-01-13 The Volcano Adventure Guide is the first book of its type. It contains vital information for anyone wishing to visit, explore and photograph active volcanoes safely and enjoyably. Following an introduction that discusses eruption styles of different types of volcanoes, how to prepare for a volcano trip and how to avoid volcanic dangers, the book presents guides to visiting 42 different volcanoes around the world. This section is packed full of practical information including tour itineraries, maps, transportation details and warnings of possible non-volcanic dangers. Three appendices at the end of the book direct the reader to a wealth of further volcano resources. Aimed at non-specialist readers who wish to explore volcanoes without being foolhardy, it will fascinate amateur enthusiasts and professional volcanologists alike. The stunning colour photographs throughout the book will delight armchair travellers as well as inspire the adventurous to get out and explore volcanoes for themselves. **Guatemala Adventure Guide** Shelagh McNally, 2008-04 Guatemala is a feast for explorers looking for new experiences and this guidebook leads the way from fiery volcanoes to historic churches, from sailing on Lake Atitlán to hiking to Mayan ruins. With the author's excellent advice, travelers will find excellent eateries, locally made crafts and family-run B&Bs. Color throughout. Maps, index. Annotation: Tropical jungles in the Amazon Basin give way to beautiful deserts in the altiplano. The Andes, with four of the world's highest peaks, offer some of the best hiking, climbing and caving on earth. Ruins of ancient civilizations dot the land. Bolivia has much to offer and this guide shows you how to experience it all through the people, the culture and exploration of even the most remote spots with their hidden treasures. An extensive Introduction covers the history, geography and the unique landscape and provides a list of the country's top highlights for easy planning.

But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Adventure Guides unique. Written by a native New Zealander, this guide covers every region and town with in-depth information on the Maori culture, the remarkable places to stay and eat, vineyard tours, cooking schools, thermal springs, albatross and whale encounters, scenic drives and more. Canoe the Whanganui River, ride in a hot air balloon, hike the Waikaremoana Track, explore Whirikana Forest Park, take a glacier tour. There's even a section on how to talk Kiwi English.
