Australia s own Frank McCourt Sally Loane ABC Radio This is an important story that has long been neglected We are familiar with stories of the stolen generation and the British child migrants but there is a third group about whom very little has been written their white Australian contemporaries who as a result of family breakdown court orders or abandonment were institutionalised as children Kate Shayler pseudonym grew up a homes kid in the fifties and sixties Her memoir is more than just an account of her experience as an institutionalised white kid it s a heartbreaking story of what happens to a child in the absence of emotional support and affection Far from being a litany of despair Kate manages to weave into her journey of self discovery a sense of community camaraderie and humour of a childhood of sorts a family that she was forced to create for herself The Long Way Home The Story of a Homes Kid will strike a chord with anyone who has ever suffered

discrimination insecurity or the pain of separation from family It s a timely and profound reminder that every child deserves to be cherished and valued **The Railway Conductor** ,1901 *Pew of Studley* Graham J. Magor,2022-12-21 Pew is a smaller than average mouse who lives with his family in a small church on the outskirts of a small village called Studley When his sister Maizey is accidentally taken by a Puller it s a race against time for Pew and his one in a million crafting friend Weed to rescue her As they cross darkened woods and snowy commons they are aided by a magpie called JJ the Raven Congress and a rabbit who runs an underground network Trying to avoid Howls ferrets and folk they must save Maizey from The Hall where dark armies are massing and war is brewing **Coming All the Way Home** Fred McCarthy,2021-07-14 In 1968 twenty one year old Fred McCarthy transitioned from the monastic life of a seminary student to that of a U S Army helicopter gunship commander in Vietnam Despite preparation from a family tradition of decorated combat service a strong sense of patriotism a love for aviation and a desire for adventure he got far more than he bargained for Written after 50 years of reflection reading and study this memoir tells both a universal story about war adventure and perseverance and also shares the intensely personal experience of the Vietnam War and its legacy for those who fought in it McCarthy describes many of his missions reflects on the nature of being a combat helicopter pilot and processes the experience through his poetry letters home and reflective analysis **Curse-Breaker: When the Devil Comes Home** Rachel Redhead,2016-11-12 Melody Jones is back from the dead All around the world people are vanishing Charity Michaels is dying and Erica is worried that a new demon uprising is about to begin Marcy has a new vampire tribe to contend with and Raff s now a married man Petra Noir has to go to a new school while Miso tries to organise a gang of homeless kids In LA a nameless evil is beginning to make itself known and in the depths the great beast leviathan is about to rise It s the end of the world and Libby Hall does not feel fine Also Jennifer D mon turns up unexpectedly to help humanity *Night of the Wolf* Alice Borchardt,2002-03-05 The Silver Wolf Alice Borchardt s acclaimed novel of a shapeshifter s struggle to survive as woman and wolf amid the Dark Ages announced the arrival of a ferociously gifted writer Now with her masterful weaving of adventure history and magic Borchardt delves deeper into the shape shifter legend and brings an earlier more savage time brilliantly to life The fearsome legions of Julius Caesar have crushed resistance to Roman rule The power of the druids is broken the shattered tribes retreating to the dubious safety of the high mountains or fleeing north into lands as inhospitable as those left behind Watching all the while through yellow eyes afire with curiosity and intelligence is Maeniel a gray wolf who is also a man This is not the Maeniel of The Silver Wolf Not the mature shapeshifter secure in his dual nature whose hard won wisdom is the equal of his preternatural strength and passion That Maeniel will not exist for another eight hundred years Now he is a stranger to his human half his reason chained to instinct Yet as the ancient civilization of the Gallic tribes is systematically destroyed around him a new Maeniel is about to be born from the ruins It begins with a woman She is Imona young proud beautiful The sight of her fills Maeniel with unfamiliar feelings and desires triggering his transformation from wolf to man In

her arms he learns for the first time what it means to love It is a knowledge that will change him forever For when Imona vanishes following a Roman massacre Maeniel begins to learn a very different lesson Following Imona's trail as wolf and man Maeniel is himself pursued by a warrior woman sworn to kill him She is Dryas a queen without a kingdom But the two adversaries will prove to have much in common And the hunt upon which they embark will lead them farther than they can imagine to the gates of Rome itself To the gates of their very souls With *Night of the Wolf* Alice Borchardt has given us another triumph of soaring imagination and adventure By turns lyrical sensuous and violent hers is a vision of the past that will stir both heart and mind Her writing will possess you like a fever and haunt you like a voluptuous dream **Fraser's**
