The Training Of The Twelve:

The Training of the Twelve Alexander Balmain Bruce, 1898 *The Training of the Twelve* Alexander B. Bruce, 2010-01-01

With many ministers and religious organizations already using modern techniques found in management books why not go straight to the source A B Bruce s 1877 work *The Training of the Twelve* shows the methods Jesus used to lead his disciples and teach them to spread His Word Though written more than a century ago and based on Gospels two thousand years old the ideas in this volume apply as surely today as they did in 1877 and church leaders or those aspiring to be church leaders will find this an invaluable resource Learn how Jesus chose and trained his disciples how and what he taught them about evangelism and prayer the nature of true holiness humility and self sacrifice and much more *Training of the Twelve* Alexander Balmain Bruce, 1971 **The Training of the Twelve** Alexander Balmain Bruce, 1930* A B Bruce s work *The Training of the Twelve* shows the methods Jesus used to lead his disciples and teach them to spread His Word Learn how Jesus chose and trained his disciples how and what he taught them about evangelism and prayer and the nature of true holiness **The Training of the Twelve** A. B. Bruce, 2010-04-22 One of Jesus most important endeavors during His short ministry involved the preparation of His twelve disciples for the work they would need to accomplish The importance of studying Jesus methodologies cannot be overstated While there is much we can learn from His words and deeds it is His work in training the disciples that facilitated the promotion and growth of the Kingdom in the first century If we would become His disciples we must sit at His feet and be trained by Him as He trained the twelve *The Training of the Twelve* was written in the face of growing doubt about the legitimacy of the Gospels as authentic witnesses to the life and work of Jesus In *The Training of the Twelve* Bruce seeks to prove that the portrayal of Jesus and His disciples is authentic and therefore their message is believable as revealed in the New Testament Whereas the nineteenth century liberal scholars were saying that the disciples invented the story of Jesus *The Training of the Twelve* provides sufficient proof that it is Jesus who transforms the disciples into the Apostles and that their testimony is true This compelling defense of the portrayal of Jesus and His disciples in the Gospel accounts is if anything even more necessary now than it was when it was first written Scholars today continue to perpetuate many of the claims of the nineteenth century liberal scholars and have even gone beyond them in denying the legitimacy of the Gospel accounts of the life of Jesus of Nazareth In a world that believes in a distinction between the historical Jesus and the Jesus of faith *The Training of the Twelve* demonstrates that the two are really one and the same Excerpted from Introduction *The Training Of The Twelve Or Passages Out Of The Gospels Exhibiting The Twelve Disciples Of Jesus Under Discipline For The Apostleship (1884)* Alexander Balmain Bruce, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the

original work *The Training of the Twelve* A B Bruce, 2020-06-23 200 000 copies in print For over one hundred years *The Training of the Twelve* has been highly regarded and widely received A B Bruce's work continues to speak powerfully and effectively to the contemporary Christian generation The methods that Jesus used to prepare his disciples are an inspiring model for training and equipping leaders and lay people for service Dr Bruce emphasizes that church is not a place where people go but something that people are and understanding and utilizing one's gifts and talents enrich both the body and the believer This classic continues to be must reading for every Christian Bibliotheca Sacra One of the finest biblical approaches and the best teaching I know of in the method employed by the Lord Jesus Christ Ted Engstrom The preeminent work on the association of Christ with His disciples Wilbur M Smith Bruce marked my thoughts greatly in the whole area of discipleship Howard Hendricks *The Training of the Twelve* Alexander Balmain Bruce, 1971 The lessons and patterns in ageless management principles employed by our Lord with His disciples are an inspiring model for those who seek greater depth and stability in the Christian church today Featured in this classic work is Christ the Master Potter molding and fashioning His disciples into useful vessels *The Training of the Twelve* is rich in thoughts not only for preacher and teacher but it is also invaluable for every Christian who is interested in being a leader or in preparing others to lead Back cover **THE TRAINING OF THE TWELVE APOSTLES [Annotated]** A. B. Bruce, 2022-05-26 Jesus Christ trained twelve ordinary men who were barely able to read and write who had typical jobs like fishermen who were very arrogant and transformed them into his most extraordinary most spiritual mature servants of all time A B Bruce herein gives us how Jesus accomplished this so that we can apply the same insights into our lives and achieve the same success for ourselves and help others to do the same If we are seeking greater spiritual depth and stability in our lives today this book is for us for it will mold and fashion us into a vessel that Jesus can use Follow Bruce through the Gospels as he explores the twelve men Christ selected as his disciples which will help us uncover how we can transform our human imperfections into serviceable instruments to help others *The Training of the Twelve, Or, Passages Out of the Gospels; Exhibiting the Twelve Disciples of Jesus Under Discipline for the Apostleship* Alexander Balmain Bruce, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1908 edition Excerpt CHAPTER VIII FIRST ATTEMPTS AT EVANGELISM Section I The Mission Matt x Mark vi 7 13 30 32 Luke ix I II The twelve are now to come before us as active agents in advancing the kingdom of God Having been for some time in Christ's company witnessing His miraculous works hearing His doctrine concerning the kingdom and learning how to pray and how to live they were at length sent forth to evangelize the towns and villages of their native province and to heal the sick in their Master's name and by His power This mission of the disciples as evangelists or miniature apostles was partly without doubt an educational experiment for their own benefit but its direct design was to meet the spiritual necessities of the people whose neglected condition lay heavy on Christ's heart The compassionate Son of man

in the course of His wanderings had observed how the masses of the population were like a shepherdless flock of sheep scattered and torn 1 and it was His desire that all should know that a good Shepherd had come to care for the lost sheep of the house of Israel The multitudes were ready enough to welcome the good news the difficulty was to meet the pressing demand of the hour The harvest the grain ready for reaping was plenteous but the laborers were few 1 In connection with this mission four things call for special notice The sphere assigned for the work the nature of the work the instructions for carrying it on the results of the mission and the return of the missionaries These points we shall consider in their order except that for convenience we shall reserve Christ s instructions to His disciples for the last place and give them a section to themselves The Training of the Twelve: How Jesus Christ Found and Taught the 12 Apostles; A Book of New Testament Biography A.
