The Vault of Walt Jim Korkis,2024-12-24 Great stories of Walt Disney and behind the scenes at the studio and theme park

The Vault of Walt Jim Korkis,2013-09-10 In this second volume of the best selling Vault of Walt series Disney historian Jim Korkis reveals even more forgotten tales of Walt Disney and the Disney Company to entertain and enlighten Disney fans

Disney's Land Richard Snow,2020-12-01 A propulsive and entertaining The Wall Street Journal history chronicling the conception and creation of the iconic Disneyland theme park as told like never before by popular historian Richard Snow One day in the early 1950s Walt Disney stood looking over 240 acres of farmland in Anaheim California and imagined building a park where people could live among Mickey Mouse and Snow White in a world still powered by steam and fire for a day or a week or if the visitor is slightly mad forever Despite his wealth and fame exactly no one wanted Disney to build such a park Not his brother Roy who ran the company s finances not the bankers and not his wife Lillian Amusement parks at that time such as Coney Island were a generally despised business sagging and sordid remnants of bygone days Disney was told that he would only be heading toward financial ruin But Walt persevered initially financing the park against his own life insurance policy and later with sponsorship from ABC and the sale of thousands and thousands of Davy Crockett coonskin caps Disney assembled a talented team of engineers architects artists animators landscapers and even a retired admiral to transform his ideas into a soaring yet soothing wonderland of a park The catch was that they had only a year and a day in which to build it On July 17 1955 Disneyland opened its gates and the first day was a disaster Disney was nearly suicidal with grief that he had failed on a grand scale But the curious masses kept coming and the rest is entertainment history Eight hundred million visitors have flocked to the park since then In *Disney s Land* Snow brings a historian s eye and a child s delight not to mention superb writing to the telling of this fascinating narrative Ken Burns that will entertain Disneyphiles and readers of popular American history Publishers Weekly

Disneyland on the Mountain Greg Glasgow,Kathryn Mayer,2023-09-13 A fascinating look at Walt Disney s last unfinished project and the controversy that surrounded it It was going to be Disneyland at the top of a mountain A vacation destination where guests could ski go ice skating or be entertained by a Disney Imagineer created band of Audio Animatronic bears In the summer visitors could fish camp hike or take a scenic chairlift ride to the top of a mountain It was the Mineral King resort in Southern California and it was Walt Disney s final passion project But there was one major obstacle to Walt s dream the growing environmentalist movement of the 1960s In *Disneyland on the Mountain* Walt the Environmentalists and the Ski Resort That Never Was Greg Glasgow and Kathryn Mayer provide an unprecedented look inside the Mineral King saga from its origins at the 1960 Winter Olympics to the years long environmental fight that eventually shut the development down The fight which went all the way to the Supreme Court reshaped the environmental movement and helped to put in place long reaching laws to protect nature Although the court battle coupled with Walt s death in 1966 meant the end for the Mineral King resort the ideas and planning

behind it have permeated throughout the Walt Disney company and the ski tourism industry in ways that are still seen today. With firsthand interviews and behind the scenes details, Disneyland on the Mountain offers incredible access to a part of Disney history that hasn't been thoroughly explored before, including Walt's love of nature, how the company changed after Walt's death, and of course the story of Mineral King. It's a tale of man versus nature, ambition versus mortality, and how a gang of scrappy environmentalists took on one of America's most beloved companies. **From Hollywood to Disneyland** Robert Neuman, 2022-10-31. From its beginnings, Disneyland was destined to be something entirely different from the standard mid-century amusement park. To sell his dream park to investors and the public, Walt Disney recruited Hollywood art directors and sketch artists to design the grounds around the mythic settings and high-minded ideals commonly expressed on the silver screen. This book focuses on the initial planning of Disneyland and its first year of operation, a time when Walt personally oversaw every detail of the park's development. Divided into chapters by park zone, it reveals how the five sectors were constructed using illusionistic tricks of stage design. Reaching beyond structure and design, chapters also explore how the sectors Main Street U.S.A., Frontierland, Tomorrowland, Adventureland, and Fantasyland represented themes found in Disney stories, familiar movie genres, and American culture at large. **Sigue siendo la hora del té** Andrea Valeiras Fernández, 2024-09-12. Ha pasado más de un siglo y medio desde que un paseo en barca con las niñas Liddell inspirara a Lewis Carroll para escribir *Alice's Adventures in Wonderland* (1865). En la actualidad continúan estrenándose series y películas basadas en la aventura de Alicia; la novela se puede leer en más de cien idiomas y existen multitud de productos y servicios relacionados con sus escenarios y personajes, desde ropa hasta restaurantes temáticos. Cómo ha evolucionado esta obra hasta el punto de tener un espacio propio en la cultura popular y de ser cada vez más relevante en el imaginario colectivo. Exploramos las posibles respuestas a esa pregunta y para ello debemos emprender un viaje como el de Alicia, en este caso a través del tiempo y alrededor del mundo. *The Vault of Walt* Jim Korkis, 2012.
