

The background of the book cover is an abstract, textured composition. It features a dense array of colors including magenta, orange, yellow, green, and purple, which are blended together in a painterly style. Overlaid on this colorful field are numerous thick, black, expressive brushstrokes of varying lengths and directions, creating a sense of movement and depth. The overall effect is vibrant and artistic, reflecting the book's focus on visual composition.

The Viewpoints Book Anne Bogart, Tina Landau, 2006-01-01 First major exploration of a ground breaking new technique for actors and theatre artists

The Viewpoints Book Anne Bogart, Tina Landau, 2004-08-01 The Viewpoints is a technique of improvisation that grew out of the postmodern dance world It was first articulated by choreographer Mary Overlie who broke down the two dominant issues performers deal with space and time into six categories Since that time directors Anne Bogart and Tina Landau have expanded her notions and adapted them for actors to function together spontaneously and intuitively and to generate bold theatrical work The Viewpoints are a set of names given to certain principles of movement through time and space they constitute a language for talking about what happens on stage Coupling this with Composition which is the practice of selecting and arranging the separate components of theatrical language into a cohesive work of art provides theatre artists with an important new tool for creating and understanding their art form Primarily intended for the many theatre artists who in the last several years have become intrigued with Viewpoints yet have had no single source to refer to in their investigations It can also be used by anyone with a general interest in collaboration and the creative process whether in art business or daily life Anne Bogart is Artistic Director of the SITI Company which she founded with Japanese director Tadashi Suzuki in 1992 She is the recipient of two OBIE Awards and a Bessie Award and is an associate professor at Columbia University Her recent works include Alice's Adventures Bobrauschenbergamerica Small Lives Big Dreams Marathon Dancing and The Baltimore Waltz Tina Landau noted director and playwright whose original work includes Space Time magazine 10 Best Dream True with composer Ricky Ian Gordon and Floyd Collins with composer Adam Guettel which received the Lucille Lortel Award for Best Musical an OBIE Award and seven Drama Desk nominations She has been an ensemble member of the Steppenwolf Theatre Company since 1997

The Existential Actor Jeff Zinn, 2017-12-12 This is a book for the thinking actor and the finest actors I've known are just that The best actors bring it all together body heart spirit and mind This book is for the actor who thinks about craft and influence who thinks about the relationship of performance to living who thinks about doing and what that doing means Acting is a metaphor and it's a mirror and so a theory of acting if true shows us to ourselves Jeff Zinn knows this He knows it as an actor director teacher and thinker His theory of everything is simple and revelatory from the foreword by Todd London

The Art and Practice of Musical Theatre Choreography Cassie Abate, 2022-07-28 What does a musical theatre choreographer actually do They just make up the steps right This book firstly debunks the misunderstandings around what musical theatre choreographers actually do demonstrating their need to have an in depth understanding of storytelling music theory performance practices and plot structure in order to create movement that enhances and enlivens the musical Secondly it equips the musical theatre choreographer with all the tools needed to create nuanced informed and inspired movement for productions through structured activities that build specific skills such as notating the script and scoring the score Traditionally this training has been something of a series of secrets passed from mentor to apprentice The author demystifies the process to make the previously undisclosed tricks of the trade accessible to all choreographers everywhere Covering the entire process of choreographing a musical from the first script reading to the final curtain call this book makes case for the absolute integrity of the choreographer to any musical theatre production and sets out the theoretical principles of choreography alongside the practical application during every step of the production process

Performing the Nonhuman Conrad Alexandrowicz, 2024-09-02 This book radically reimagines theatre performance pedagogy and dramaturgy in response to the accelerating climate crisis This text is founded upon the principle that the theatre is the most anthropocentric of all the arts the means of its representation the human figure is identical with its conventional object the human narrative broadly considered In order to respond ethically to the climate crisis it must expand its range to include performing as in response to the nonhuman Conrad Alexandrowicz concisely explores theoretical approaches to the other than human found in the work of among others Jane Bennett Timothy Morton Rosi Braidotti and Cary Wolfe The implications of this move are far reaching and commence with displacing realism from its traditional position of dominance The practices of 20th century physical theatre visionaries such as Tadeusz Kantor Jacques Lecoq and Jerzy Grotowski are revisited and reconsidered for their applicability to forms of theatre that might serve the needs of establishing storytelling deriving from nonhuman phenomena This logically leads to the matter of responding appropriately to Indigenous ways of knowing and being The work finds guidance in Indigenous pre scientific ways of knowing and being such as those articulated by Robin Wall Kimmerer Braiding Sweetgrass 2013 In contemplating our kinship with vegetative life the work finds inspiration in the latest research into the ways tree communities communicate collaborate and share resources including the work of Suzanne
