Tending the Fire That Burns at the Center of the World David F. White, 2022-07-29 Tending the Fire That Burns at the Center of the World engages the central question of Christian formation that is what kind of knowing is most likely to awaken and sustain Christian faith This book seeks to reclaim aesthetics beauty and creativity as the church's most native theological way of knowing and being which participates with God's own glory and creativity This book traces the prominence of aesthetics up until the dawn of the Enlightenment including recent theologians who reclaim aesthetics for theology and formation The book elaborates the aims and techniques of aesthetic approaches to teaching and learning in the church Finally this book cautions against overly determined rationalisms and moralisms that do not retain a sense of wonder delight and openness in the church's teaching liturgy and proclamation In this view the church does not simply regurgitate familiar texts political tropes or flattened doctrines but breaks into the world as Christ's body a parable a song a flash mob interrupting business as usual giving new expression to acts of care repentance forgiveness joy and communion awake to the beauty of God's gifts and inviting our worship **Saying Yes** Albert Haase, OFM, 2015-02-01 What is God asking of me How do I know if this is really of God and not simply my imagination Should I follow my head or my heart Discerning God's will is

Beguiled by Beauty Wendy Farley,2020-12-01 Contemplative disciplines such as centering prayer and meditation have been part of Christian life for centuries They seem hard to practice now not simply because our distracted and hyperstimulated age makes them difficult but also because they can appear irrelevant to the needs of a fractured and ugly historical moment Yet these practices are more essential now than ever claims Wendy Farley These practices essentially awaken and attune us to the beauty both of the created order and of human relationships Farley helps readers discover being made for both kinds of beauty with contemplative disciplines immersing us in it Tying these disciplines with contemplation allows us to engage with the struggle for justice in an unjust society Beguiled by Beauty includes practical advice for readers to learn several contemplative meditation practices
