Letters of Light Kalonymus Kalman Epstein, Aryeh Wineman, 2015-02-06 Letters of Light is a translation of over ninety passages from a well known Hasidic text Ma or va shemesh consisting of homilies of Kalonymus Kalman Epstein of Krakow together with a running commentary and analysis by Aryeh Wineman With remarkable creativity the Krakow preacher recast biblical episodes and texts through the prism both of the pietistic values of Hasidism with its accent on the inner life and the Divine innerness of all existence and of his ongoing wrestling with questions of the primacy of the individual vis a vis that of the community The commentary traces the route leading from the Torah text itself through various later sources to the Krakow preacher's own reading of the biblical text one that often transforms the very tenor of the text he was expounding Though composed almost two centuries ago Ma or va Shemesh comprises an impressive spiritual statement many parts of which can speak to our own time and its spiritual strivings

[The Fall and the Ascent of Man](#) Joseph Fitzpatrick, 2012-02-16 In this groundbreaking work Joseph Fitzpatrick challenges the traditional interpretation of chapter three of Genesis the story of Adam and Eve in Eden This narrative was imposed on the Christian West but not the East through the genius of Augustine of Hippo and came to dominate Catholic and Protestant theology Fitzpatrick points to weaknesses in Augustine's interpretation of the Genesis story before providing a revolutionary interpretation of his own Fitzpatrick claims that this story is about nothing less than hominisation Far from being an account of the original sin against God it is in fact a symbolic tale about the ascent of a hominid couple to full human consciousness Aided by modern anthropology Fitzpatrick is able to enter into the mentality of the ancient Hebrews and adopt a literary approach to the biblical text by comparing it with the Babylonian Epic of Gilgamesh In The Fall and the Ascent of Man he clears away the clutter of centuries and lets us see the famous tale for what it is the story of the emergence

of humankind on the face of the earth first in nature then in history This book provides the key for a new interpretation of the early chapters of Genesis within a new understanding of Judaeo Christian salvation history By offering a biblical account of human sinfulness Fitzpatrick hopes to draw Western theology closer to that of the Orthodox East and point the way forward for Christian theology in the twenty first century *Lessons I Learned in the Light* Jennifer Rothschild, 2009-02-19 Guidance for Your Journey Sometimes God's Word is like candlelight that warms and comforts Other times it is a red flashing light that protects Often it's a spotlight that exposes your need And since you are called to walk by faith you need light in all its various forms guiding your steps Jennifer Rothschild's path darkened by physical blindness is illuminated by scriptural truth And now she shares the keys to persevering and clinging to the Word no matter what your circumstances *Lessons I Learned in the Light* is a powerful collection of Scripture intriguing autobiographical sketches and pointed Bible study with personal practical application questions that will encourage you every step of the way Your word is a lamp unto my feet and a light unto my path Psalm 119:105 Have you known darkness Are you there even now There is a ray of hope that brings clarity and guidance God's Word the Light that is better than life And it wields the power to see you through absolutely anything Jennifer Rothschild in her physical blindness found the secret to persevering with endurance and shares it candidly No matter what you face today *Lessons I Learned in the Light* will help you cling to His Word carry no baggage pray like crazy be God conscious enjoy the fish bowl No matter how dark the road you can travel it courageously secure in the Light For these commands and this teaching are a lamp to light the way ahead of you Proverbs 6:23 NLT Jennifer Rothschild is a sincere and transparent example of what it means to press toward the goal to live a thriving courageous life in Christ Sara Groves Singer songwriter Like the Renaissance artists of old Jennifer Rothschild sees with her heart Through self discipline acute observation and Christ centeredness the tapestry of her life has been woven together by an unshakeable faith Luci Swindoll Author and speaker Women of Faith Her gentle pleasing style first draws readers in and captures their imaginations Only then does she deliver her more powerful punches Publishers Weekly Story Behind the Book I don't have the privilege of reading God's Word in the traditional sense but I still rely on it as my source of power power to persevere and thrive in a world of darkness Without it I would have quit a long time ago Proverbs 6:23 says These commands and this teaching are a lamp to light the way ahead of you NLT While *Lessons I Learned in the Dark* provided principles for walking by faith *Lessons I Learned in the Light* offers fuel for running with endurance Jennifer Rothschild From the Trade Paperback edition

A God Like No Other: Depaganizing the God of the Hebrew Bible David A. Brondos, 2024-07-15

For centuries scholars and interpreters of the Hebrew Scriptures or Old Testament have read those Scriptures as if they spoke of a God whose desires concerns and interests were essentially no different than those of the other gods of antiquity known to us Like those gods what the God of Israel supposedly sought above all else was the honor worship and obedience of human beings and their submission to his will as his faithful and devoted servants While he undoubtedly demanded the practice of what was good right and merciful among his people in a way that set him apart from other gods ultimately he did so for his own sake in order to bring about in them the type of behavior that pleased him and compel them to live in conformity with his justice holiness and righteousness Those who sought to enjoy his blessings and avoid his fierce wrath and punishments had no choice but to strive to keep him content by observing all that he had commanded and making atonement for the sins and offenses they committed by offering him the sacrifices that appeased him Although he loved his people deeply his righteous and holy nature placed limits on that love and prevented him from showing them his favor unless the demands of his nature were satisfied When we abandon such an understanding of the God of Israel and instead read the Hebrew Bible on its own terms in order to grasp the logic underlying its narratives however a very different portrait of God emerges The God of whom the biblical texts speak is a God who desires nothing but the good for all those whom he has created and refuses to back down from his efforts to bring them to live in ways that will allow them to enjoy the wholeness and well being he desires for all when they insist on filling their lives with injustice suffering and violence When he demands that they obey all that he has commanded by practicing justice and compassion and avoiding behaviors that do them harm he

does so not for his sake but for theirs If he jealously refuses to let his people serve and worship other gods it is only because those gods bring death and destruction rather than the life that is found in him alone While at times he must himself resort to violence and even bring down evil on human beings in order to put a stop to oppression and injustice he does so only because his passionate and unbending commitment to the well being of all of the families of the earth together with his beloved people Israel will not allow him to hold back or relent in his efforts to save them not from him but from themselves Christian and Jewish readers alike will find in the present volume a God who is very different from the God they have been taught to encounter previously in the biblical texts a God whose ultimate concern is not for his own glory honor or worship or for the demands of a righteous and holy nature that holds him captive but for the healing wholeness and well being of all of his creatures Such an understanding of God not only calls into question traditional interpretations of the Hebrew Bible but also lays the basis for a fresh reading of the many difficult passages that have long challenged biblical interpreters due to the violent and troubling image of God that they convey

Holy Life L Santos, 2014-04-15 You can accept Jesus all you want but Romans 6 16 teaches us that if you keep on sinning and do not turn to God wholeheartedly it leads to death writes author L Santos In Holy Life Santos passionately dismisses the widely held misconception that being a Christian requires little or no effort on our part while explaining that the Christian life should flow from a heart full of love not lived by a set of rules Relevant for new believers and Christians seeking to renew their commitment to living their lives for the Lord Holy Life takes the guesswork out of finding the answers to pivotal questions like How is a true believer to act behave and think in this world How should I live my life to prove to God that I have repented of my sins and turned to Him

Ephesians Thomas Yoder Neufeld, 2002-02-15 Ephesians presents readers with a volatile mix of assurance exhilarating worship and forceful exhortation a bracing challenge to today's church The letter convinces Thomas R Yoder Neufeld that the grace gift of faithfulness leads to worship Power peace and new creation are gifts of grace equipping the church to participate in God's reconciling embrace This commentary guides readers to a life changing encounter with Ephesians probing interpretations refreshing Christian teaching and calling everyone to walk accordingly with a song in heart and throat
