Intolerance Robert E. Tully, Bruce Chilton, 2017-07-14 Aristotle accurately characterized humans as political animals Whether through birth or from choice people naturally cluster into groups for protection advancement and the pursuit of well being But Aristotle's description does not hint at the powerful binary tension within this human tendency Leaders enhance a social group's sense of identity by appealing to the members' commitments and shared traditions to their hopes strengths sacrifices and fears Often however they cultivate not only an awareness of difference but even a sense of superiority since for every social group there are those outside the them Maintaining a group's solidarity can too easily lead to the righteousness of intolerance towards those who are excluded The reinforcement of group identity in this way runs so deep in human nature that holding up a mirror to ourselves inevitably reveals a split image the people we want to see and the people we're glad we're not Intolerance Political Animals and Their Prey presents stark examples of how the US has treated the them The papers in this volume hold up various unflattering mirrors of intolerance from the areas of History Law Philosophy Political Science and Religion The authors of these scholarly studies do not condemn Rather their research

compels us to look at ourselves as the political animals we are Intolerance Political Animals and Their Prey is the product of a year long multi disciplinary collaboration between faculty members of Bard College and the United States Military Academy at West Point The project involved parallel seminar courses at both institutions along with Joint Sessions all focused on the central theme of intolerance and culminated in a three day academic Conference at Bard in the Spring of 2015 This volume inaugurates a new series being published by Hamilton Books under the general title Dialogues on Social Issues Bard College and West Point

The West Point Guide Book William H. Tripp, 1900 *The Legends of the West Point Class of 1846* Charles River Editors, 2025-06-21

Thomas Jonathan Jackson is one of the most famous generals of the Civil War but many of the people he continues to fascinate probably don't remember his whole name That's because Jackson earned his famous Stonewall moniker at the First Battle of Manassas or Bull Run when Brigadier General Bee told his brigade to rally behind Jackson whose men were standing like a stone wall Ironically it's still unclear whether that was a compliment for standing strong or an insult for not moving his brigade but the nickname stuck for the brigade and the general itself Jackson would only enhance his legend over the next two years first leading his army on one of the most incredible campaigns of the war in the Shenandoah Valley in 1862 Known as the Valley Campaign Jackson kept 3 Union armies occupied north of Richmond with less than 13 of the men marching his army up and down the Valley 650 miles in three months The impressive feat helped his men earn the nickname foot cavalry He is equally known for his famous flank march and attack at Chancellorsville on May 2 1863 which completely surprised the Army of the Potomac's XI Corps and rolled the Union line up The attack would end up winning the battle for the Confederates who were outnumbered by nearly 50 000 men at Chancellorsville As fate would have it Jackson was mortally wounded at the height of what may have been his finest hour depriving the Confederacy of one of its best generals Many still wonder how the outcome of Gettysburg or the Civil War itself may have changed if Jackson had lived In 1861 McClellan was looked upon as a hero and even possibly a savior Dubbed The Young Napoleon the 35 year old had been a prodigy at West Point finishing in second place in the Academy's most famous class the Class of 1846 After earning praise for his service in the Mexican American War McClellan had a short but successful career in the railroad industry and had been a foreign observer at the siege of Sevastopol during the Crimean War At the outbreak of the Civil War there was no question that McClellan was one of the brightest and most experienced of the North's generals Ultimately of course McClellan went from hero to goat at least in the eyes of President Lincoln who famously wrote that McClellan has the slows It was a sharp critique of McClellan's cautious movements but McClellan was also faulted for conservative battlefield leadership in the Peninsula Campaign and at Antietam McClellan also constantly overestimated his opponent's manpower at times thinking the Confederates had double his Army of the Potomac when the exact opposite was the case It was after Antietam and his bickering with the War Department over why he wasn't chasing Lee's battered Army of Northern Virginia that Lincoln finally sacked him effectively ending his Civil War career Pickett's reputation for bravery extended into the early

years of the Civil War to the extent that former West Point classmate George McClellan wrote Perhaps there is no doubt that he was the best infantry soldier developed on either side during the Civil War A native Virginian the impeccably styled Pickett represented all of the antebellum South s most cherished traits and as such he was a beau ideal Confederate soldier After proving himself a capable brigadier during the Peninsula Campaign during which he was wounded and forced to recuperate Pickett was given command of a division in Longstreet s corps of the Confederate Army of Northern Virginia putting him in position for a rendez vous with destiny Today Pickett is best remembered for the charge that has taken his name and is now remembered as the most famous assault of the Civil War Pickett s division was so decimated by the charge that when Lee asked him to reform his division in case of a Union counterattack Pickett is alleged to have responded I have no division

Sacred Ties Tom Carhart,2010-05-04 The gripping story of six West Point graduates including George Armstrong Custer who fought each other in the Civil War With Civil War storm clouds darkening the horizon they were strangers from different states thrown together as West Point cadets George Armstrong Custer Stephen Dodson Ramseur Henry Algernon DuPont John Pelham Thomas Lafayette Rosser and Wesley Merritt Educated and trained there to be not only officers and gentlemen but also courageous battlefield leaders their shared experience at West Point forged bonds between them stronger than brotherhood Right after their graduations war erupted in 1861 They stayed blue or went gray and even faced each other in battle Acclaimed military historian Tom Carhart brings to life the human side of valiant victories and crushing defeats and most vividly of these young men of individual valor and personal honor

McClellan's War Ethan S. Rafuse,2011-11-23 An important book that rescues George B McClellan s military reputation Chronicles Bold brash and full of ambition George Brinton McClellan seemed destined for greatness when he assumed command of all the Union armies before he was 35 It was not to be Ultimately deemed a failure on the battlefield by Abraham Lincoln he was finally dismissed from command following the bloody battle of Antietam To better understand this fascinating however flawed character Ethan S Rafuse considers the broad and complicated political climate of the earlier 19th Century Rather than blaming McClellan for the Union s military losses Rafuse attempts to understand his political thinking as it affected his wartime strategy As a result Rafuse sheds light not only on McClellan s conduct on the battlefields of 1861 62 but also on United States politics and culture in the years leading up to the Civil War Any historian seriously interested in the period will come away from the book with useful material and a better understanding of George B McClellan Journal of Southern History Exhaustively researched and lucidly written Rafuse has done an excellent job in giving us a different perspective on Little Mac Civil War History Rafuse s thoughtful study of Little Mac shows just how enthralling this complex and flawed individual continues to be Blue Gray magazine

The West Point Class of 1846 Charles River Editors,2025-06-21 West Point has long been America s most famous military academy but in the early 19th century it was a highly unimpressive school consisting of a few ugly buildings facing a desolate barren parade ground Established with just five officers and ten cadets of the Corps of Engineers

on March 16 1802 the Academy was built on a spot just 50 miles north of New York City which had been a key Hudson River military fortress during the Revolutionary War Cadets attending during the Point's first several decades were obliged to maintain their daily regimen knowing the school might shut down at any moment as the U S government frequently questioned why it should provide free education As it turned out West Point would become the foremost military academy in the nation and it would churn out the cadets who became the most important generals in the Civil War With that the future generals years at West Point became a source of both camaraderie and colorful stories A clerical error by West Point administrators ensured that Hiram Ulysses Grant forever became known as Ulysses S Grant and years after Robert E Lee met Albert Sidney Johnston and Jefferson Davis at West Point George H Thomas and William Tecumseh Sherman met each other and Richard S Ewell During the 1850s classes included men like John Bell Hood Union general Phil Sheridan and James Birdseye McPherson who would become the only commanding general of a Union army to die in a Civil War battle when he fell in 1864 during Sherman's Atlanta Campaign But none of the West Point classes became as famous as the Class of 1846 which boasted more than a dozen future Civil War generals The Class of 1846 included a shy kid named Thomas Jonathan Jackson who made few friends and struggled with his studies finishing 17th in his class 15 years before becoming Stonewall Also in that class was A P Hill who was already in love with the future wife of George McClellan a young prodigy who finished second in the class of 1846 A popular and mischievous George Pickett would play hooky at the local bar and struggle just to finish last in the class and the Class of 1846 also churned out critical Union generals like Jesse Reno Darius Couch and George Stoneman Before these men opposed each other on Civil War battlefields they forged their own friendships and charted their future paths together at West Point The West Point Class of 1846 profiles the most famous cadets of the class chronicles their time on campus together and discusses their careers after the Academy Along with pictures of important people and places you will learn about the Class of 1846 like you never have before in no time at all **West Point**

Foundry Trudie A. Grace, Mark Forlow, 2014-01-13 Established in 1817 as a cannon foundry the West Point Foundry at Cold Spring in the Hudson Highlands was one of the first major industrial sites in the United States The foundry and its many iron products most significantly artillery and other ordnance played a central role in the nation's industrial development At its peak during the Civil War the foundry manufactured cannons of several types including Dahlgren's Rodmans and most prolifically Parrott rifles which were widely employed and crucial to the Union victory Among other products were the first American steam locomotives marine engines and boilers for early steamships and warships sugar mills aqueduct pipes dynamite and disappearing guns architectural columns and industrial machinery Rare photographs and other images mostly from the 19th century trace the foundry's story from its early years through the period of Civil War production to its eventual status as a site of archaeological excavation **Library of Congress Subject Headings** Library of Congress, 2011

West Point William J. Addison, Kathryn Jewett Hogenson, 2012-09-24 West Point located at the juncture of three rivers is

a tapestry of the American experience The peninsula was a stronghold and religious center for the Powhatan tribes of eastern Virginia and the site of many significant events at the beginning of English settlement in America Its story includes Chief Powhatan Pocahontas and Capt John Smith In 1655 the West family became the first British to settle the peninsula and Bacon s Rebellion was brought to an end there in 1676 Martha Washington was born and raised near the town that was also home to Carter Braxton a signer of the Declaration of Independence West Point was a site of Lafayette s artillery during the Battle of Yorktown With the coming of the railroad it became a valuable port fought over during the Civil War and later a steamship hub and riverside resort The 20th century saw influences of immigration two world wars and the struggle for civil rights Native son Gen Chesty Puller became an iconic hero of the Marine Corps This rich legacy is explored through images with an emphasis on the late 19th century and first half of the 20th century *Library of Congress Subject Headings* Library of Congress.
