HAWKE,2023 **A Spell for the Changing** SIMON. HAWKE,2025-02-14 Bureau of Thaumaturgy Special Adept Agent William Slade has enough to deal with as he works with his therapist to reconcile his merging with the spirits of two immortal mages Merlin Ambrosius and his father Gorlois Duke of Cornwall But as if that were not enough the Director of the Bureau has assigned him to investigate Senator Jordan Jimson whose Spell Control Initiative threatens to place all magic use throughout the country under the control of his Congressional committee Citizens Against Thaumaturgic Supremacy better known as CATS is a radical anti thaumaturgy organization that has been staging violent demonstrations against magic and also contributes heavily to the senator s campaign Is Senator Jimson secretly running CATS or is CATS running the senator And can Slade and his team complete their investigation before the senator finds out about it and uses his power and influence to shut them down **The Wizard** ,1910 **A Bibliography of Modern Arthuriana (1500-2000)** Ann F. Howey,Stephen Ray Reimer,2006 Annotated bibliography of the Arthurian legend in modern English language fiction not only in literary texts but in television music and art The legend of Arthur has been a

source of fascination for writers and artists in English since the fifteenth century when Thomas Malory drew together for the first time in English a variety of Arthurian stories from a number of sources to form the *Morte Darthur*. It increased in popularity during the Victorian era when after Tennyson's treatment of the legend not only authors and dramatists but painters, musicians and film makers found a source of inspiration in the Arthurian material. This interdisciplinary annotated bibliography lists the Arthurian legend in modern English language fiction from 1500 to 2000 including literary texts, film, television, music, visual art and games. It will prove an invaluable source of reference for students of literary and visual arts, general readers, collectors, librarians and cultural historians indeed by anyone interested in the history of the ways in which Camelot has figured in post medieval English speaking cultures. ANN F HOWEY is Assistant Professor at Brock University, Canada. STEPHEN R REIMER is Associate Professor at the University of Alberta, Canada.
