The Word At War World War Two In 100 Phrases Peter Lewis:

The Word at War Philip Gooden, Peter Lewis, 2014-09-25 War words have embedded themselves in our collective psyche British politicians are fond of invoking the Dunkirk spirit whenever the country is faced with major crisis or even minor adversity and Roosevelt's famous description of Pearl Harbor as a date which will live in infamy was echoed by many US commentators after the 9/11 attacks So far so familiar Or is it How many of us know for instance that Keep Calm and Carry On far from achieving its morale boosting aim was considered at the time to be deeply patronizing by the people it was directed at and so had only limited distribution The Word at War explores 100 phrases spawned and popularized in the lead up and during the conflict of World War Two Substantial essays explore and explain the derivations of and the stories behind popular terms and phraseology of the period including wartime speeches and the words of Churchill Hitler and FDR service slang national stereotypes food and drink and codewords

Darkness Falling Peter Walther, 2021-08-05 Gripping and all too timely James Hawes A brilliant mix of detailed research and vivid storytelling Julia Boyd History at its very best and a fabulous translation too Graham Hurley In March 1930 after the collapse of the coalition that had ruled Germany since 1928 President Hindenburg asked Heinrich Brüning bespectacled and scholarly leader of the Catholic Centre Party to form a government Some three years later in January 1933 Hindenburg appointed as chancellor the demagogic virulently anti-Semitic leader of the National Socialist party Within weeks Adolf Hitler has begun the process of dismantling the flawed democracy of the Weimar Republic and replacing it with a one party totalitarian state Darkness Falling depicts in compelling fashion the serial crises and mounting violence of a febrile era Peter Walther examines the slow death of Weimar through the prism of nine colourful protagonists including leading German politicians of right left and centre the clairvoyant and occultist Erik Jan Hanussen and the formidable American journalist Dorothy Thompson He profiles these heterogeneous characters in intriguing detail pulling together the threads of their lives to chart the demise of German parliamentary democracy and the rise of National Socialist tyranny Along the way we gain fascinating insights into the machinations in the corridors of power to keep the Bohemian corporal from the chancellorship and the venality of the Nazi elite and its fellow travellers from the demi monde of early 1930s Berlin Walther evokes the louche nightlife of the German capital a playground for charlatans and prophets madmen and crooks memorably and atmospherically A masterly fusion of meticulously researched historical writing and vividly propulsive storytelling Darkness Falling is a distinctive and enthralling account of Germany's slide from democracy to dictatorship Translated by Dr Peter Lewis

Warwick at War 1939-45 Graham Sutherland, 2020-03-20 When the Second World War broke out Warwick already had public air raid shelters planned gas masks were being distributed and there was even a power struggle when Warwickshire County Council took control of the Air Raid Wardens from the police Although Warwick was not a prime target for the Luftwaffe nearby Coventry was and minor blackout regulations were rigorously enforced St Mary's Church was believed to have been used as a marker for the Luftwaffe and when Coventry was

attacked in November 1940 the flames could be seen from Warwick Afterwards refugees soon began arriving from the stricken city Visiting American and Canadian troops were welcomed in their thousands although other temporarily stationed service personnel were not always so popular as their arrival coincided with a shortage of other local young men in the town and bigamy cases were not unknown Meanwhile rationing brought its own problems the stealing of both petrol and ration coupons was not unheard of while the shortage of petrol resulted in a rise in offences involving the use of bicycles usually by service personnel By late 1944 it was apparent the Allies had won the war and the Home Guard was stood down Indeed the celebrations for VE Day had been prepared long before victory was declared **The Word at War** Philip Gooden,2014

Lucky Hitler's Big Mistakes Paul Ballard-Whyte,2024-01-05 Adolf Hitler s Great War military experiences in no way qualified him for supreme command Yet by July 1940 under his personal leadership the Third Reich s armed forces had defeated Poland Czechoslovakia Holland Denmark Norway Belgium and France The invasion of Great Britain was a distinct reality following Dunkirk Hungary Bulgaria and Romania had become allies along with the acquiescent military powers of Mussolini s Italy and Franco s Spain These achievements prompted Field Marshal Willem Keitel the Wehrmacht s Chief of Staff to pronounce Hitler to be the Greatest Commander of all time Storm clouds were gathering most notably the disastrous decision to tear up the treaty with the Soviet Union and launch Operation Barbarossa in 1941 As described in this meticulously researched and highly readable book Hitler s blind ideology racist hatred and single mindedness led him and his allies inexorably to devastating defeat How far was it good luck that gave Hitler his sensational early political and military successes Certainly fortune played a major role in his survival from many assassination attempts and sex scandals The author concludes from 1941 onwards the Fuhrer s downfall was entirely attributable to military misjudgments that he alone made Lucky Hitler s Big Mistakes exposes the enigmatic Dictator for what he really was incredibly lucky and militarily incompetent
