The Unfinished Church Rob Bentz, 2014-05-31 I love Jesus but hate the church We hear this kind of talk all the time but what if it s profoundly mistaken Rob Bentz challenges readers to rethink this popular yet ultimately harmful mentality Drawing on his experience as a pastor Bentz helps those disenchanted with the church to rediscover its importance for the Christian life by examining the biblical theological and historical reasons why Christ s followers should embrace gospel centered community even when it s hard Honest yet hopeful *The Unfinished Church* provides an encouraging look at God s ultimate building project his church

Surviving Ministry Michael E. Osborne, 2016-05-06 Being a pastor has its rewards and pleasures But churches can be unsafe places They are filled with broken imperfect people Many ministers of the gospel walk into a church naive about the potential hazards of their vocation They are vulnerable to difficult people unresolved conflict incompatible visions hidden agendas mission drift and sin their own and that of others Other pastors feel trapped in a ministry hurricane and don t know what to do They feel like failures They re thinking about leaving the ministry They are looking for help and hope not from an expert detached from the real world of ministry but from someone who has suffered through church hurricanes and lived to share the story Moreover they need to know they are not alone *Surviving Ministry* How to Weather the Storms of Church Leadership includes the author s own story as well as true stories from other pastors who have been in the eye of the hurricane Discouraged ministers looking for biblical practical gospel centered advice for storm proofing their churches homes and hearts have found a friend *Surviving Ministry* will equip them to stay resilient before during and after seasons of difficulty
