The Vampires Shared Bride:

The Vampire's Shared Bride Bonnie Burrows, 2015-08-27 vampires Valad and Michael control the town and every ten years they pick a fertile woman from the village to be wedded to them as part of a tradition that dates back to over a century. No one knows what happens to the women once they are chosen and quite frankly no one wants to know. The simple fact is they are never seen again. When curvy Siona discovers that her newly engaged best friend is the next girl to have been selected, she does what no woman has ever done before. Siona volunteers herself to be chosen and to take her friend's place. Now she is about to enter the unknown with no idea if she will ever return. When Siona volunteered to become the Vampire's shared bride, she had absolutely no idea of what was to happen. And there is nothing in this world that could have prepared her for what actually DID happen. *The Transmedia Vampire* Simon Bacon, 2022-02-18 This book explores vampire narratives that have been expressed across multiple media and new technologies. Stories and characters such as Dracula, Carmilla, and even Draculaura from Monster High have been made more real through their depictions in narratives produced in and across different platforms. This also allows the consumer to engage on multiple levels with the vampire world, blurring the boundaries between real and imaginary realms and allowing for different kinds of identity to be created while questioning terms such as author, reader, player, and consumer. These essays investigate the consequences of such immersion and why the undead world of the transmedia vampire is so well suited to life in the 21st century. *The Dragon's Find* Jessie Donovan, 2023-03-16 A grumpy sunshine snowed in only one bed story about a dragonman and his fated human female. On Jenny Hartmann's drive up the mountain to a friend's cabin for a much needed escape, her old car breaks down. Stranded on the snowy mountain with no town or other cars in sight, she has no choice but to walk to find help. And of course she soon falls on her butt and hurts her leg. While cursing the world for her crappy luck, a tall sexy dragonman finds her and offers to help. Even though it means possibly being alone with a stranger for who knows how long, let alone what he'll do, the dropping temperatures give her little choice. As soon as she accepts his help, he carries her to his little cabin and proceeds to take care of her. The dragon shifter named Daniel Torres says little. But he doesn't try to curb her ramblings or make her feel embarrassed about having little to no filter. In fact, she tells him things she's kept from even her sister. And after they huddle together in the only bed to keep warm, things start to shift and she wants things she can't have. But a surprise from the dragon shifter's main enemy changes everything. And soon Jenny must decide if she wants a future with the dragonman or if she has to flee to stay safe from his inner dragon. *Masked Dragon of Snowridge* Jessie Donovan, 2024-01-18 Kaylee MacDonald has been yearning to find her own happy ending since moving to Scotland but hasn't had any luck. So when she finds out about a masked event where dragon shifters and humans can hook up for the night, she decides to go and have some fun. What she didn't expect was for a dragonman to accept her strip poker challenge and then give her not only the best steamy encounter of her life but a little surprise as well, one that will appear nine months later. Dr. Maelon Perry doesn't do

relationships As a child love destroyed his family and he vowed to never let that happen to him again But his inner dragon has needs and so he visits a masked event to find a female to take to bed What he didn't expect was to be drawn to a human female dancing on a chair Both man and beast want her and claim her for one night only But she shows up three months later his scent entwined with hers meaning she carries his child He has no desire to be a father but agrees she should come to Snowridge until the child is born so he can give her shots of his dragon blood But he makes it clear that after the birth she should leave As the pair gets to know each other Kaylee finds a way past Maelon's barriers and they start to think they have a future together But then someone targets Kaylee putting her in danger Will Kaylee survive and finally have a dragonman of her own Or will the danger force her to flee and destroy any chance she has with Maelon **Finding Dragon's Court** Jessie Donovan, 2022-10-27 To the world Dr Maximilian Holbrook projects himself as a chatty buffoon It ensures everyone underestimates him especially when it comes to his rivals And it's worked too until an Australian dragon shifter starts outsmarting him That she's a woman doesn't matter to him No he'll do whatever it takes to find the legendary Dragon's Court even if it means chaining her up to keep her out of the way Dr Lavinia Walker overcame her past to become one of the best dragon shifter archaeologists in Australia So much so she manages to snag a rare visa to excavate in the UK It's been a life long dream to discover the ruins of Queen Alivia's descendants and to finally shed light on what the dragons did once the Romans left Britain She's so close to locating it but has one problem a human male who's as determined as she is When he plays dirty she does too However when a kiss changes their lives Max and Lavinia have to decide if they are more to each other than mere rivals As they race against the clock to solve the last clue will they be able to work together Or are they both too stubborn to give up and risk any chance of a future with each other Winter at Stonefire Jessie Donovan, 2023-08-01 After learning about what Stonefire's newest clan member Percy Wells suffered as a half dragon orphan Jane Hartley is determined to prevent any other child from going through the same horrible experiences The solution is simple convince the visiting dragon clan leaders to foster the orphans While things are a bit hectic with the Winter Solstice celebrations Sid's doctor gatherings and Jane's own presentation she can handle it all with her mate's support What she didn't plan for was a little Christmas surprise of her own Not to mention Kaylee MacDonald's story begins here as well Join Stonefire in welcoming all the clan leaders for the winter gathering and see some updates from favorite past couples NOTE This is not a standalone story It features characters from Reawakening the Dragon Surrendering to the Dragon Cured by the Dragon The Dragon's Pursuit The Dragon Guardian and cameos from most of the past Stonefire Dragons couples and other clan leaders **The Palgrave Handbook of the Vampire** Simon Bacon, 2024-04-16 Winner of the The Lord Ruthven Assembly Award for Non Fiction 2024 This Handbook MRW is a unique encompassing overview of the figure of the vampire Not only covering the list of usual suspects this volume provides coverage from the very first reports of vampire like creatures in the 17th century to film and media representations in the 21st century The Palgrave Handbook of the Vampire shows that what you thought you
