have been excellent one man exhibitions of the major Pre Raphaelite artists but no really comprehensive exhibition has ever
been devoted to Pre Raphaelite painting as such In mounting the present exhibition we have tried to bring together as many
as possible of the essential works of the movement so as to give a more complete account than has been possible in the past

divisions between the protagonists of Pre Raphaelitism as well as allowing us to re unite paintings by different artists which
were first shown together in the exhibitions of the time Foreword
