

The Victory Garden Cookbook

The Victory Garden's own cook shares her wonderful way with vegetables—all the expertise and imagination that make it so rewarding to watch her on Public Television. Here is the most comprehensive, creative vegetable cookbook in print: more than 800 delectable recipes for everything from perfectly cooked asparagus to pasta primavera, a grated zucchini sauté, and pumpkin ice cream. Plus essential gardening information and a wealth of ideas on how best to use your harvest.

by Marian Morash

The cover of the book features a photograph of Marian Morash, a woman with short brown hair, smiling and wearing a green button-down shirt. She is standing behind a wooden table filled with fresh vegetables, including tomatoes, cucumbers, and leafy greens. A wooden crate labeled "THE VICTORY GARDEN" is also on the table. In the background, a kitchen setting is visible with various cooking utensils and pots.
