

The Virtues In Medical Practice

Marko Ćurković, Ana Borovečki

The Virtues In Medical Practice:

The Virtues in Medical Practice Edmund D. Pellegrino, David C. Thomasma, 1993-11-11 In recent years virtue theories have enjoyed a renaissance of interest among general and medical ethicists This book offers a virtue based ethic for medicine the health professions and health care Beginning with a historical account of the concept of virtue the authors construct a theory of the place of the virtues in medical practice Their theory is grounded in the nature and ends of medicine as a special kind of human activity The concepts of virtue the virtues and the virtuous physician are examined along with the place of the virtues of trust compassion prudence justice courage temperance and effacement of self interest in medicine The authors discuss the relationship between and among principles rules virtues and the philosophy of medicine They also address the difference virtue based ethics makes in confronting such practical problems as care of the poor research with human subjects and the conduct of the healing relationship This book with the author's previous volumes *A Philosophical Basis of Medical Practice* and *For the Patient's Good* are part of their continuing project of developing a coherent moral philosophy of medicine

The Christian Virtues in Medical Practice Edmund D. Pellegrino, David C. Thomasma, 1996-04-01 Christian health care professionals in our secular and pluralistic society often face uncertainty about the place religious faith holds in today's medical practice Through an examination of a virtue based ethics this book proposes a theological view of medical ethics that helps the Christian physician reconcile faith reason and professional duty Edmund D Pellegrino and David C Thomasma trace the history of virtue in moral thought and they examine current debate about a virtue ethic's place in contemporary bioethics Their proposal balances theological ethics based on the virtues of faith hope and charity with contemporary medical ethics based on the principles of beneficence justice and autonomy The result is a theory of clinical ethics that centers on the virtue of charity and is manifest in practical moral decisions Using Christian bioethical principles the authors address today's divisive issues in medicine For health care providers and all those involved in the fields of ethics and religion this volume shows how faith and reason can combine to create the best possible healing relationship between health care professional and patient

The Virtues in Medical Practice Edmund D. Pellegrino, David C. Thomasma, 1993 This book constructs a virtue based ethics for medicine and health care Beginning with the problem of relating virtues to principles the authors develop a theory that this linkage lies in the goals of medicine and the nature of medical practice as a moral community Specific virtues such as trust compassion prudence justice courage temperance and self effacement are discussed in separate chapters The book ends by examining how a virtue based ethic of medicine makes a difference in analysing problems like caring for the poor research on human subjects whether the medical virtues can be taught in professional training and how a refurbished philosophy of medicine can enhance medicine and health care in the future

The Virtues in Medical Practice Edmund D. Pellegrino, David C. Thomasma, 2023 **The Virtues in Medical Practice** Edmund D. Pellegrino, David C. Thomasma, 1993 In recent years virtue theories have enjoyed a renaissance of

interest among general and medical ethicists This book offers a virtue based ethic for medicine the health professions and health care Beginning with a historical account of the concept of virtue the authors construct a theory of the place of the virtues in medical practice Their theory is grounded in the nature and ends of medicine as a special kind of human activity The concepts of virtue the virtues and the virtuous physician are examined along with the place of the virtues of trust compassion prudence justice courage temperance and effacement of self interest in medicine The authors discuss the relationship between and among principles rules virtues and the philosophy of medicine They also address the difference virtue based ethics makes in confronting such practical problems as care of the poor research with human subjects and the conduct of the healing relationship This book with the author's previous volumes *A Philosophical Basis of Medical Practice* and *For the Patient's Good* are part of their continuing project of developing a coherent moral philosophy of medicine

The Virtuous Physician James A. Marcum, 2012-01-02 Although modern medicine enjoys unprecedented success in providing excellent technical care many patients are dissatisfied with the poor quality of care or the unprofessional manner in which physicians sometimes deliver it Recently this patient dissatisfaction has led to quality of care and professionalism crises in medicine In this book the author proposes a notion of virtuous physician to address these crises He discusses the nature of the two crises and efforts by the medical profession to resolve them and then he briefly introduces the notion of virtuous physician and outlines its basic features Further virtue theory is discussed along with virtue ethics and virtue epistemology and specific virtues especially as they relate to medicine The author also explores the ontological priority of caring as the metaphysical virtue for grounding the notion of virtuous physician and two essential ontic virtues care and competence In addition to this he examines the transformation of competence into prudent wisdom and care into personal radical love to forge the compound virtue of prudent love which is sufficient for defining the virtuous physician Lastly two clinical case stories are reconstructed which illustrate the various virtues associated with medical practice and it is discussed how the notion of virtuous physician addresses the quality of care and professionalism crises

Ethics and the Good Doctor Sabena Jameel, Andrew Peterson, James Arthur, 2021-09-12 *Ethics and the Good Doctor* brings together existing literature and an analysis of empirical research conducted by the Jubilee Centre for Character and Virtues to examine the ethical nature of medical practice and explore medicine as a virtuous profession The book is based on the idea that medical practice is an inherently moral profession in which notions of trust care and meaningful relationships form the foundations of being a good doctor By taking into account the ethical dimensions of medical practice that have come under greater scrutiny and pressure over recent years this book explores how personal and professional character is understood enacted and experienced by medical practitioners at various stages of their career *Ethics and the Good Doctor* situates and presents the empirical data in a way that is accessible to practicing doctors medical students and medical educators Clear implications for policy practice and research are offered ensuring this book will be of great interest to a range of stakeholders involved in

medical practice including those working in medical policy *Virtue and Medicine* E.E. Shelp,2012-12-06 Interest in theories of virtue and the place of virtues in the moral life continues to grow Nicolai Hartmann 7 George F Thomas 20 G E M Anscombe 1 and G H von Wright 21 for example called to our attention decades ago that virtue had become a neglected topic in modern ethics The challenge implicit in these sorts of reminders to rediscover the contribution that the notion of virtue can make to moral reasoning moral character and moral judgment has not gone unattended Arthur Dyck 3 P T Geach 5 Josef Pieper 16 David Hamed 6 and most notably Stanley Hauerwas 8 11 in the theological community have analyzed or utilized in their work virtue based theories of morality Philosophical probings have come from Lawrance Becker 2 Philippa Foot 4 Edmund Pincoffs 17 James Wallace 22 and most notably Alasdair MacIntyre 12 14 Drawing upon and revising mainly ancient and medieval sources these and other commentators have ignited what appears to be the beginning of a sustained examination of virtue *The Bridge Between Bioethics and Medical Practice* Marko Ćurković,Ana Borovečki,2022-10-14 This book provides insights into dynamic and complex interrelationships between professionalism and medical practice It does so by looking into the most relevant and recent theoretical and practical frameworks and by systematizing and integrating extensive and growing literature on medical professionalism Through honest and prudent contributions from very diverse backgrounds and contexts this book provides an understanding of medical professionalism derived from a broader historical and cultural context in order to contribute to everyday professional life and practice the very place of its existence The book presents the conflicting and sometimes irreconcilable demands and challenges physicians face in everyday practice A better understanding of these fundamental issues is the only way for medicine to maintain and preserve its unique morality the same one that enabled its existence in the first place The book is relevant for everyone immersed and interested in the subject of medical professionalism as a resource which may ease or guide them through the complexities of issues at hand It will also contribute to the ongoing debate on medical professionalism medical ethics bioethics and professionalism and ethics in general *Bedside Manners and the Social Body* Kay Ferguson Ryals,2002 **Man-made Man** Peter Doherty,Agneta Sutton,1997 The aim of this book is to provide a popular introduction to the latest developments in clinical genetics and the aspirations for the future among those working in the field One author explores the historical background to the latest scientific discoveries and techniques Other authors explain where we stand now by providing simple accounts of the present state of knowledge and current medical practice Among the subjects treated are pre implantation and prenatal testing carrier testing with a view to reproductive choice somatic gene therapy germ line gene therapy and non therapeutic genetic interventions **Open Door** ,1925 **Physician and Philosopher** Edmund D. Pellegrino,2001 **International Philosophical Quarterly** ,1961 *The Alkaloidal Clinic* ,1899 **Journal of the American Medical Association** ,1925 Includes proceedings of the association papers read at the annual sessions and lists of current medical literature

Becoming a Good Doctor James F. Drane,1988 *Becoming a Good Doctor* focuses on medical ethics in basic sense the

character traits and styles of practice we look for when we seek a doctor's help. This book will appeal to doctors and medical students for its sound application of the venerable tradition of virtue ethics to modern medical practice. The Surgical Clinic, 1902 Chemist and Druggist, 1921 **The Lancet**, 1871

Whispering the Techniques of Language: An Emotional Quest through **The Virtues In Medical Practice**

The Virtues In Medical Practice Introduction

In today's digital age, the availability of The Virtues In Medical Practice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Virtues In Medical Practice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Virtues In Medical Practice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Virtues In Medical Practice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Virtues In Medical Practice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Virtues In Medical Practice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Virtues In Medical Practice books and manuals is Open Library. Open Library is an initiative of the

Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Virtues In Medical Practice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Virtues In Medical Practice books and manuals for download and embark on your journey of knowledge?

FAQs About The Virtues In Medical Practice Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Virtues In Medical Practice is one of the best book in our library for free trial. We provide copy of The Virtues In Medical Practice in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Virtues In Medical Practice. Where to download The Virtues In Medical Practice online for free? Are you looking for The Virtues In Medical Practice PDF? This is definitely going to save you time and cash in something you should think about.
