The Washington Dissensus A Privileged Observers Perspective On Us Brazil Relations:

The Washington Dissensus Rubens Barbosa, 2014-12-15 During the five years in which he represented Brazil in the United States under both the Cardoso and Lula presidencies Ambassador Barbosa witnessed presidential elections that brought opposition parties to power in both the United States and Brazil the 9 11 terrorist attacks the outbreak of war in Afghanistan and Iraq and the election of Luiz Inacio Lula da Silva In this memoir translated from the Portuguese he recounts the most significant regional and global issues that arose alongside the domestic political conflicts within a divided North American society Barbosa provides sophisticated analysis of economic relations during these changing times and also explores the many US misconceptions about Brazil and the Latin American region From the privileged post of observation that an ambassadorship in the American capital represents Barbosa had the exceptional opportunity over a considerable length of time to closely follow relations between Brazil and the United States He witnessed relations evolve under two governments as they developed distinct foreign policies which at times led to a breakdown in understanding between the two countries

Understanding Contemporary Brazil Jeff Garmany, Anthony Pereira, 2025-06-05 Brazil has famously been called a country of contradictions A place where narratives of racial democracy exist in the face of stark inequalities where politics can swing dramatically between the right and left and where the natural environment is celebrated as a point of national pride but at the same time is exploited at alarming rates To people on the outside looking in these contradictions seem hard to explain *Understanding Contemporary Brazil* tackles these problems head on providing the perfect critical introduction to Brazil s ongoing social political economic and cultural complexities In this significant new edition the authors reflect on the rise of right wing populism during the Bolsonaro era as well as expanded coverage of increasing violence against Indigenous groups deforestation gender equality public security political polarization the growth of evangelical Christianity and the role of social media All of this further enriches the book s existing strengths in discussions of national identity urban issues social movements economic development politics and government Throughout the book suggested English readings extensive bibliographies maps and figures serve to help to guide the reader s learning By considering more broadly the historical political economic and socio cultural roots of Brazil s internal dynamics this interdisciplinary book equips readers with the contextual understanding and critical insight necessary to explore this fascinating country Authoritative and engaging *Understanding Contemporary Brazil* is ideal for university students and researchers yet also accessible to general readers looking to learn more about one of the world s largest and most significant countries

Power Dynamics and Regional Security in Latin America Marcial A.G. Suarez, Rafael Duarte Villa, Brigitte Weiffen, 2017-07-25 This volume explores the repercussions of a changing world order on regional security in Latin America It examines how global and regional power shifts impact on the evolution of regional institutions as well as on state policies adopted in response to regional security challenges such as border conflicts political instability migration drug trafficking organized crime and terrorism

Contributions to this volume analyze the topic from three angles power dynamics and its effects on regional security governance the contribution of regional institutions to the management of security challenges and the impact of power dynamics on states shifting security priorities Written by specialists from Brazil Argentina Colombia Mexico the United States and Europe the chapters weave theory and case studies to provide a rich description of the impact of power and politics on regional security in Latin America This book is an invaluable resource for students scholars and practitioners interested in Latin American politics regional cooperation and war and conflict studies as well as international security and international relations in general
