A Hustler's Dream Ernest Morris,2017-04-28 A new start always comes at a price Dante Worlds is fresh from the joint Leaner but more importantly wiser He s smart enough now to not get caught up again But also knows a life of crime is unsustainable His main goal now is to return to the old game but with a few new tricks Ones that will keep him off radar to the authorities Once he s stashed away enough coin its the straight and narrow for him Meanwhile a new connect Worlds made in prison

named Fredd aids him in organizing a venture that is sure to pay off very robustly for Dante Getting him out of the life for good Fred s past however is a murky one Filled with the usual betrayals and lies one commits to survive in the streets When his enemies hear of his new dealings with Worlds He becomes their prime target along with those closest to him Enter Dominique She wants a life with Worlds but upon finding out he s back to his old ways she threatens to depart Without his protection she s a sitting duck for Fredd s enemies who re now Worlds enemies Worlds must now close this new deal quickly His future and hers depends on it

Soul of the Man Charles Farley,2011-02-07 Bobby Blue Bland s silky smooth vocal style and captivating live performances helped propel the blues out of Delta juke joints and into urban clubs and upscale theaters Until now his story has never been told in a book length biography *Soul of the Man* Bobby Blue Bland relates how Bland along with longtime friend B B King and other members of the loosely knit group who called themselves the Beale Streeters forged a new electrified blues style in Memphis in the early 1950s Combining elements of Delta blues southern gospel big band jazz and country and western music Bland and the Beale Streeters were at the heart of a revolution This biography traces Bland s life and recording career from his earliest work through his first big hit in 1957 *Farther Up the Road* It goes on to tell the story of how Bland scored hit after hit placing more than sixty songs on the R B charts throughout the 1960s 70s and 80s While more than two thirds of his hits crossed over onto pop charts Bland is surprisingly not widely known outside the African American community Nevertheless many of his recordings are standards and he has created scores of hit albums such as his classic 1961 *Two Steps from the Blues* widely considered one of the best blues albums of all time *Soul of the Man* contains a select discography of the most significant recordings made by Bland as well as a list of all his major awards A four time Grammy nominee he received Lifetime Achievement Awards from the National Academy of Recording Arts and Sciences and the Blues Foundation as well as the Rhythm Blues Foundation s Pioneer Award He was also inducted into the Rock Roll Hall of Fame and the Blues Foundation s Hall of Fame This biography at last heralds one of America s great music makers
