

Divine. Intervention

...when only
a MIRACLE will do

All this took place to fulfill
what the Lord had said through the prophet:
"The virgin will conceive and give birth to a son,
and they will call Him Immanuel"
(which means "God with us").

The Will To Live the Power Of His Divine Intervention:

The Will to Live Francis Wallace, 2015-12-11 Not predicting what life has to offer you can never take it for granted Life is very short and precious Any given Sunday or any given day could be your last The Will to Live The Power of His Divine Intervention not only chronicles my survival journey but also illuminates the how and why It s my legacy for the living On Sunday August 29 we made plans to fire up the grill hang out with friends and watch the football game It was just another Sunday The guys were outside starting the fire while the ladies were inside preparing the food Then all of a sudden our fun filled afternoon turned into a nightmare A fiery backyard explosion nearly ended my life Suffering from second and third degree burns over 80% of my body my life as a young husband and a new father with a budding career was quickly put on hold With a slim chance of survival the doctors didn t have much hope for me The lead physician at Washington DC s Providence Hospital was just two years older than I and still at the threshold of his career They called in the hospital s priest to administer the last rites I pleaded with God to forgive me and give me one more chance to live He answered my prayers My ultimate survival depended upon two things my will to live and my willingness to welcome God s powerful intervention

Romans: Three Exegetical Interpretations and the History of Reception Daniel Patte, 2018-07-26 In the first of a three volume work Daniel Patte presents three very different critical exegeses of Romans 1 arguing that all are equally legitimate and hermeneutically plausible By expanding upon and respecting the exegeses of many erudite scholars of the last two centuries Patte concludes that three families of vastly different critical interpretations are fully justified traditional philological and epistolary studies rhetorical and sociocultural studies and figurative studies of the coherence of Paul s teaching Arising from a long standing interdisciplinary investigation of many receptions of Romans in light of recent diversification of exegetical methodologies Patte concludes that the interpretation of a scriptural text necessarily involves making a choice among equally legitimate and plausible alternatives and second that this choice is always contextual and ethical When these points are denied by failing to respect the interpretations of others and absolutizing one s interpretation instead of being a scriptural blessing Romans becomes a deadly weapon against others heretics Jews Shoah and many others The result is a threefold commentary of Romans 1 that is unique in its scope and thorough going exegesis **Kingdom**

Benson Richard Meux Benson,1901 *A Catholic Commentary on Holy Scripture* Bernard Orchard,1953 **YHWH in the Wind(s)** Violet Chiswa Gandiya,2025-01-31 From interdisciplinary intertextual and comparative analytical perspectives this book engages with the epistemologies of the Global South and Global North to reveal a fresh insight into the image of YHWH in the guise of the phenomenal wind s and the purpose of this image in the biblical Hebrew tradition Therefore this book showcases YHWH appearing with the potent wind s to create and transform chaos into cosmic order at primal creation

Likewise this discourse presents YHWH breaking into the historical and social realm in his various sociopolitical roles to destroy all forms of chaotic force by his bluster of wind s and to establish maintain or restore world social order founded on his rule of justice and righteousness This accounts for the view that all creation and order originate from YHWH and are maintained by YHWH s innate rules of ethical governance This fresh insight into the sights and sounds of YHWH asserting his rule in the dramaturgical wind s not only renders new meaning to biblical texts within their contexts but also offers a persuasive message and alluring theological reflections that can shape new discourses to engage and address contemporary theological and social issues of equity justice and harmony within YHWH s intended design of world and social order
