Edwin Paxton Hood

The Wonders Of Solitude:

The Wonders of Solitude Dale Salwak, 2011-12-21 This diverse group of poets novelists artists theologians explorers and psychologists muse on solitude as a means of discovering God and self and as inspiration for creativity and inner peace They grapple with how to reconcile the spirit of community with the spirit of seclusion and ultimately how to use the power of silence and solitude to counter the distractions of our daily lives The Wonders of Solitude is an inspiring companion in the struggle to remove ourselves as Salwak writes from our peripheral concerns from the pressures of a madly active world and to return to the center where life is sacred a humble miracle and mystery **Now is the Time** Sister Stanislaus

Kennedy, 2009-01-01 Take time to live it's what life is for This is an inspiring and thought provoking work of vision from multi bestseller Sister Stanislaus Kennedy A timely and prescient collection of thoughts and reflections with one central message we have the time if we make the choice to take time Even the most convinced cynics will find something in Sister Stan's basic premise Ireland on Sunday Very beautifully written Reader review A book I want to read reread in order to plumb its depths Reader review SPIRITUAL REFLECTIONS ON TIME FOR EVERYBODY Now is the Time looks beyond the boundaries of any one faith or church and draws on the great spiritual and philosophical traditions of east and west As Sister Stan focuses on a line of poetry from one of the world's great authors an idea from a psychotherapist or philosopher or a proverb from oriental wisdom she weaves her own thoughts around them in a way that presents them afresh and allows us to see them from a new perspective This is book for everyone battling with today's current climate young or old male or female for the converted the irreligious or plain disaffected Reflective contemplative and spiritual it is the perfect tonic to our busy and relentless world

life In the cradle of infancy solitude is a soft whisper a lullaby for the dreaming mind where the touch of others is a distant shore As the individual grows solitude becomes a playground of imagination where castles are built from silence and stories spun from stillness Through the tumultuous years of youth solitude is a refuge a place to retreat from the cacophony of growing pains and the clamor of finding one's place in the crowd It is in these quiet moments that the self takes shape molded by reflection and introspection In the fullness of adulthood solitude is a rare gem often buried beneath the debris of daily life Yet it is sought after a momentary pause in the relentless march of responsibilities a breath of space where the self can expand and contract in its own rhythm As the twilight of life approaches solitude returns like an old friend its presence more profound and comforting It is a time of reckoning of looking back on the paths taken and not taken and of finding peace in the life that was lived And at the end when the curtain falls solitude is there a faithful witness to the final act It is both the last goodbye and the first greeting as the individual steps through the threshold from one mystery into another Solitude is not merely the absence of others
