The Word In This World Two Sermons:

Two Sermons. Of Christian Loue and Life: on Canticles II. Verse 10. Preached ... upon Christs Ascention-day last past 1612 Richard Webb (preacher of God's word.),1613 American Theological Inquiry, Volume Two, Issue One
Gannon Murphy,2009-01-15 American Theological Inquiry ATI was formed in 2007 by Drs S Gannon Murphy PhD St David s College Univ Wales Theology Presbyterian Reformed and Stephen Patrick PhD Univ Illinois Philosophy Eastern Orthodox to open up space for diverse Christian academicians who affirm the Ecumenical Creeds to share research throughout the broader Christian scholarly community in America ATI reaches thousands of Christian scholars throughout the United States particularly specialists in theology Though ATI is a new journal scholars who publish with ATI benefit from exposure to a vast non insular network of one of the broadest Christian academic communities possible **The Word in This World: Two Sermons by Karl Barth** Karl Barth,2007-06-01 This volume contains two sermons by the early twentieth century theologian and pastor Karl Barth The first sermon given upon the sinking of the Titanic in 1912 appears in print here for the first time ever The second sermon given in 1934 during Nazi ascendancy appears for the first time in English translation With a substantial introduction by Bishop William H Willimon this volume is an indispensable resource not only for Barth scholars but also for anyone concerned with the presence of the Word in this world *Karl Barth's Emergency Homiletic, 1932-1933* Angela Dienhart Hancock,2013-07-20 What does a theologian say to young preachers in the early 1930s at the dawn of the Third Reich What Karl Barth did say how he said it and why he said it at that time and place are the subject of Angela Dienhart Hancock s book This is the story of how a preaching classroom became a place of resistance in Germany in 1932 33 a story that has not been told in its fullness In that emergency situation Barth took his students back to the fundamental questions about what preaching is and what it is for returning again and again to the affirmation of the Godness of God the only ground of resistance to ideological captivity No other text has so interpreted Barth s Exercises in Sermon Preparation in relation to their theological political ecclesiastical academic and rhetorical context **Two Sermons on the Consolation of the Dead** St. John Chrysostom,D.P. Curtin,2017-04-15 These two sermons address the concept of sadness particularly in the context of death and distinguishes between two types godly sorrow that leads to repentance and worldly sorrow that brings death It reflects on the inevitability of death as a divine decree and reassures believers of the hope of resurrection through Christ The text cites biblical examples including King David s response to his son s death to illustrate appropriate mourning and the importance of maintaining faith It concludes by affirming the transformative power of resurrection urging Christians to embrace hope rather than despair **The Word in this World** Karl Barth,2019-01-30 An important feature of this booklet is the inclusion of two contrasting sermons by Barth the monster of a full scale Titanic sermon of 1912 and the sermon of Christ s walking on the lake of 1934 In different ways these dealt with disasters the unfortunate disaster of 1912 and the far more serious disaster of rising Hitlerism in 1934 How did it come about that the approaches were so very

different A simple answer lies in Barth's threefold development of the doctrine of God's word The 1912 sermon fails by all these standards The 1934 sermon passes and proves to be a more powerful response to the current situation Geoffrey W Bromiley translator of Church Dogmatics and author of An Introduction to the Theology of Karl Barth Karl Barth's two sermons dramatically reflect his preaching in two distinct phases In each he is seeking a word to proclaim to the congregation but in dramatically different ways These sermons with Bishop Willimon's fine introduction clearly show the preacher Barth was and the preacher Barth became while also directly challenging the contemporary church always to listen to God's Word to trust and to obey Donald K McKim Editor How Karl Barth Changed My Mind The mighty Karl Barth still speaks in our postmodern world His preaching once was one of the great voices in the context of the rise of Hitler's rise to power in Germany His voice is still audible along with those of Martin Niemöller Helmut Thielicke and Dietrich Bonhoeffer These great preachers are examples of Germany's biblically grounded Reformation preaching James D Strauss Professor Emeritus of Theology and Philosophy Lincoln Christian Seminary Lincoln Illinois The sermon from Bremen reminds me how I as a boy experienced the last sermons of my grandfather in the Basel prison line by line he brought the biblical text anew to speech to life in speech Listen whoever wants to preach in this way must at the same time stand just as awake and engaged in current events as this comes to expression in the Titanic sermon In this way the two sermons make a suspenseful pair maybe even a dialectic pair Dieter Zellweger President of the Karl Barth Legacy Commission and Karl Barth's grandson Kurt I Johanson is Pastor at Pleasant Grove Church in Dallas Texas and formerly adjunct lecturer in Homiletics at Dallas Christian College
