Through The Eyes Of Jesus Trilogy Through The Eyes Of Jesus:

Through the Eyes of Jesus C. Alan Ames, 1996-06 *Through the Eyes of Jesus Trilogy* carver ames, 2022-12-30 life of Jesus Through the Eyes of Jesus Ames, 2011-09-01 This hard cover book contains Volumes 1 2 and 3 of Through the Eyes of Jesus and would make an ideal gift for anyone who wishes to learn more about the down to earth interaction of Jesus with His Disciples on the roads to Jerusalem Are the events and details of Jesus life told here true I got my yes answer as I compared them with the life of Jesus as I had learned it from the gospel church teaching and tradition To imagine the events told here without an interior vision would be as easy as writing the gospels without Divine assistance Richard T McSorley S J Theologian *The God of Intimacy and Action* Tony Campolo, Mary Albert Darling, 2010-12-21 Praise for The God of Intimacy and Action Tony Campolo and Mary Darling are like gunpowder and a spark The result is a dynamite book that many have been waiting a long time for Relevant Magazine In 25 years when we look back as journalists chronicling this era of religious reawakening this book likely will turn up as a classic This book is both a manifesto and a sturdy guidebook for the journey of reclaiming much that has been lost David Crumm founder of Read the Spirit Tony Campolo and Mary Darling are two first rate minds grappling with classical and contemporary theology and then adding to that a set of concrete practices The Network of Spiritual Progressives including those of us who are not Christian can draw much wisdom and guidance from this book Tikkun Magazine I know both Tony and Mary personally and can testify to the genuineness of their search for spiritual wholeness It is a search that always holds in creative tension a profound intimacy with God through Christ with a vigorous engagement in the social realities of our day Richard J Foster author of Celebration of Discipline Darling and Campolo sift through the dirt of Christendom and uncover the precious treasures of our faith Shane Claiborne founding member of The Simple Way community author of The Irresistible Revolution and recovering sinner **God's Mission in Asia** Ken Christoph Miyamoto, 2007-06-15 Ecumenism in postwar Asia institutionalized in the Christian Conference of Asia displayed a remarkable this worldliness from its inception in the 1940s This tendency was in contrast to the tension between the church centric and world centric approaches to Christian mission that marked conciliar mission thinking in the West This work examines the development of such this worldly holiness in Asian ecumenism focusing on M M Thomas of India and C S Song from Taiwan Special attention is drawn to the idea of God s this worldly presence that considers God as redemptively at work in world history apart from the church The study first compares the development of this worldly holiness in the West and Asia and then examines the thinking of Thomas and Song The chapters on these two theologians discuss their backgrounds the basic concerns motivating their intellectual searches and responses to the questions arising from such concerns These chapters also try to understand how these theologians view the relationship between God and the world In so doing the study highlights the significance of the idea of God s this worldly presence shared by Thomas and Song in spite of differences in their backgrounds approaches and theological formulations Having compared Thomas and Song the study concludes that the

idea of God's this worldly presence became central to Asian ecumenism because it offered a common unifying vision to Asian Christians who come from a region characterized by tremendous diversity. The idea helped them to see the diverse peoples, cultures, and religions in Asia under one God who transcends the diversity and still takes it seriously. 100 K. I. S. S. Driskill, 1999-03. Protestant Spiritual Exercises **The God of Intimacy and Action** Mary Albert Darling, 2019-03-05. Acclaimed evangelical speaker and writer Tony Campolo teams up with spiritual director and teacher Mary Albert Darling to reveal some gems from the liturgical Christian tradition to Protestants who may be ready for a refreshing change. While steeped in their own evangelical tradition the authors are not afraid to venture back into Christian history and reclaim practices that have long been considered exclusively Catholic including Centering Prayer along with works by Ignatius Loyola and Catherine of Siena as excellent spiritual tools to help evangelicals grow in faith and love for the poor. A vital theme in Campolo and Darling's work is that spirituality is not solely an individualistic practice but must lead Christians to love and help the oppressed. True Christian mysticism they posit is not an either/or proposition. That's because the nexus between evangelism and justice is to be found in Christian mysticism. **The Real Jesus** Geza Vermes, 2010-06-18. In *Searching for the Real Jesus* Geza Vermes, best known for his work on the Dead Sea Scrolls and the Jesus of history, offers lucid and engaging presentations of his lifelong research along with comments on a variety of contemporary religious themes such as *The Da Vinci Code*, Mel Gibson's infamous film *The Passion of the Christ*, Benedict XVI's book *Jesus of Nazareth* and the Gospel of Judas. Informed by the work of a world-class scholar, the short articles in this book open to the general reader the findings of some of the major discoveries of the twentieth century such as the Dead Sea Scrolls, especially as they shed light on contemporary religious and biblical questions. *The Story Behind the Bible Trilogy: Book I The Torah; Book II The Prophets; Book III The New Covenant* J. K. Alexander, 2019-11-27. With facts and information, insightful commentary, and even a few flights of fantasy, *The Story Behind the Bible* trilogy weaves a magnetic journey through the ancient texts of the Bible for believers and non-believers alike. It's a journey that can draw readers into a universe that is larger and more incredible than they ever thought possible. A highly comprehensive overview of the entire Bible, the trilogy also proves that the prophets of scripture made

impossible and miraculous predictions and prophecies concerning future events including our current era and virtually proves that God's hand steers the broad stream of world history Now over two thousand years hence much of scripture has been misinterpreted misapplied or simply lost to traditions and folklore The books address those issues with commentary and doctrine and through the elegant story and amazing people of the New Testament bring the biblical story to a triumphant end
