They Were the Rough Riders Richard E. Killblane, 2022-06-03 After just four weeks of training Colonel Theodore Roosevelt's Rough Riders a regiment of cowboys recruited into the First U S Volunteer Cavalry fought in Cuba during the Spanish American War with the skill of seasoned regulars The unit reflected the future president's character as a wealthy Ivy Leaguer who went west to experience frontier life Most of the Rough Riders were seasoned cowhands from the Southwest but Ivy League athletes sons of millionaires and lawmen filled out the ranks Roosevelt molded this diverse group into a cohesive efficient fighting force and led them to victory on San Juan Hill Told from the perspective of the men in the regiment this book traces the history of the Rough Riders from conception to disbanding and Roosevelt's transformation into an American hero

The Crowded Hour Clay Risen, 2020-06-16 The gripping The Washington Post story of the most famous regiment in American history the Rough Riders a motley group of soldiers led by Theodore Roosevelt whose daring exploits marked the beginning of American imperialism in the 20th century When America declared war on Spain in 1898 the US Army had just 26 000 men spread around the country hardly an army at all In desperation the Rough Riders were born A unique group of volunteers ranging from Ivy League athletes to Arizona cowboys and led by Theodore Roosevelt they helped secure victory in Cuba in a series of gripping bloody fights across the island Roosevelt called their charge in the Battle of San Juan Hill his crowded hour a turning point in his life one that led directly to the White House The instant I received the order wrote Roosevelt I sprang on my horse and then my crowded hour began As *The Crowded Hour* reveals it was a turning point for America as well uniting the country and ushering in a new era of global power A revelatory history of America's grasp for power Kirkus Reviews starred review Both a portrait of these men few of whom were traditional soldiers and of the Spanish American War itself *The Crowded Hour* dives deep into the daily lives and struggles of Roosevelt and his regiment Using diaries letters and memoirs Risen illuminates an influential moment in American history a war of only six months time that dramatically altered the United States standing in the world Fast paced carefully researched Risen is a gifted storyteller who brings context to the chaos of war *The Crowded Hour* feels like the best type of war reporting told with a clarity that takes nothing away from the horrors of the battlefield The New York Times Book Review
