## **Tinseltown Murder Morphine And Madness At The Dawn Of Hollywood:**

**Tinseltown** William J. Mann, 2014-10-14 New York Times Bestseller Edgar Award winner for Best Fact Crime The Day of the Locust meets The Devil in the White City and Midnight in the Garden of Good and Evil in this juicy untold Hollywood story an addictive true tale of ambition scandal intrigue murder and the creation of the modern film industry By 1920 the movies had suddenly become America's new favorite pastime and one of the nation's largest industries Never before had a medium possessed such power to influence Yet Hollywood's glittering ascendancy was threatened by a string of headline grabbing tragedies including the murder of William Desmond Taylor the popular president of the Motion Picture Directors Association a legendary crime that has remained unsolved until now In a fiendishly involving narrative bestselling Hollywood chronicler William J Mann draws on a rich host of sources including recently released FBI files to unpack the story of the enigmatic Taylor and the diverse cast that surrounded him including three beautiful ambitious actresses a grasping stage mother a devoted valet and a gang of two bit thugs any of whom might have fired the fatal bullet And overseeing this entire landscape of intrigue was Adolph Zukor the brilliant and ruthless founder of Paramount locked in a struggle for control of the industry and desperate to conceal the truth about the crime Along the way Mann brings to life Los Angeles in the Roaring Twenties a sparkling yet schizophrenic town filled with party girls drug dealers religious zealots newly minted legends and starlets already past their prime a dangerous place where the powerful could still run afoul of the desperate A true story recreated with the suspense of a novel Tinseltown is the work of a storyteller at the peak of his powers and the solution to a crime that has stumped detectives and historians for nearly a century Unsolved Murders Amber Hunt, Emily G. Thompson, 2020-02-04 MURDERS THAT DEFY DETECTION Discover the stories behind some of the most infamous unsolved murders of the last century including the Black Dahlia the Zodiac Killer and the JonBen t Ramsey case Detailing essential evidence Profiling key suspects Tracking police investigations Sorting facts from speculation Hollywood by Hollywood Steven Cohan, 2019 The backstudio picture or the movie about movie making is a staple of Hollywood film production harking back to the silent era and extending to the present day What gives backstudios their coherence as a distinctive genre Steven Cohan argues in Hollywood by Hollywood is their fascination with the mystique of Hollywood as a geographic place a self contained industry and a fantasy of fame leisure sexual freedom and modernity Yet by the same token if backstudio pictures have rarely achieved blockbuster box office success what accounts for the film industry's interest in continuing to produce them The backstudio picture has been an enduring genre because aside from offering a director or writer a chance to settle old scores in branding filmmaking with the Hollywood mystique the genre solicits consumers strong investment in the movies Whether inspiring the movie crazy fan girls of the early teens and twenties or the wannabe filmmakers of this century heading to the West Coast after their college graduations backstudios have given emotional weight and cultural heft to filmmaking as the quintessential American success story But more than that a backstudio picture is concerned with shaping

perceptions of how the film industry works with masking how its product depends upon an industrial labor force including stardom and with determining how that work's value accrues from the Hollywood brand stamped onto the product Cohan supports his well theorized and well researched claims with nuanced discussions of over fifty backstories some canonical and well known and others obscure and rarely seen Covering the hundred year timespan of feature length film production Hollywood by Hollywood offers an illuminating perspective for considering anew the history of American movies *The Battle for Beverly Hills* Nancie Clare,2024-08-06 The untold history of Beverly Hills and how against all odds it remained an independent exclusive and glamorous enclave through the efforts of Hollywood's film pioneers If you look at a map of the sprawling city lines of Los Angeles you'll notice a distinct hole in the middle That is Beverly Hills and there's a reason why it remains an island in the sea of LA It's a tale inextricably linked with the dawn of cinema a celebrity couple using their reputation to get what they wanted politically and of course the age old conundrum of California water For film stars who moved out to California in the early 20th century Beverly Hills was a refuge from tabloid heavy Los Angeles It was also a societal blank slate unlike Los Angeles saddled with the East Coast caste system Beverly Hills developers were not picky about who settled there It was the perfect place for Mary Pickford and Douglas Fairbanks who both came from mixed ethnic impoverished backgrounds It allowed them to become among the first actors to reach superstar status through hard work and keen entrepreneurial instincts and to keep their steamy affair out of the press Today listening to a celebrity advocating a cause doesn't raise an eyebrow But in 1923 it was something new This is the story of how the stars battled to keep their city free from the clutches of a rapacious Los Angeles and lay the groundwork for celebrity influence and political power With a nuanced eye and fantastic storytelling *The Battle for Beverly Hills* is an irresistible tale of glamour fame gossip and politics

Hollywood Horrors Andrea Van Landingham,2021-11-01 The name Hollywood conjures up fantastical images of bright lights glamorous dreams and impossible riches From its humble beginnings as a ranch sprawling northwest of Los Angeles in the late 1800s Hollywood has spanned lifetimes as a factory of dreams a dazzling place where all things are possible This collection of stories takes you on a journey into the golden age illuminating the space between the airy fantasy and the gritty reality of life in Hollywood In a transient city where nothing lasts thousands of stories have taken place in their time here From the offscreen debauchery of the silent era to countless dramatic and mysterious deaths to the sinister past lives of world famous LA landmarks vestiges of Hollywood's checkered past can still be found all over the city With generations of Tinseltown's luminaries living and working under the sunny guise of paradisaal prosperity their real stories reveal the sordid underbelly lurking directly beneath the surface A dangerous collusion between the studios the press the mob and the LAPD forms an impenetrable behind the scenes network of corruption power and control where the truth is always up for sale A network in which the most glamorous and well known figures are merely players in this elaborate charade It's magical and gritty it's ugly and dirty it's the land of dreams it's Hollywood Twilight Man Liz Brown,2021-05-18 *Twilight Man* is

biography romance and nonfiction mystery carrying with it the bite of fiction Los Angeles Review of Books In *Twilight Man* Liz Brown uncovers a noir fairytale a new glimpse into the opulent Gilded Age empire of the Clark family Bill Dedman co author of *The New York Times* bestseller *Empty Mansions* *The Mysterious Life of Huguette Clark and the Spending of a Great American Fortune* The unbelievable true story of Harrison Post the enigmatic lover of one of the richest men in 1920s Hollywood and the battle for a family fortune In the booming 1920s William Andrews Clark Jr was one of the richest most respected men in Los Angeles The son of the mining tycoon known as The Copper King of Montana Clark launched the Los Angeles Philharmonic and helped create the Hollywood Bowl He was also a man with secrets including a lover named Harrison Post A former salesclerk Post enjoyed a lavish existence among Hollywood elites but the men's money and their homosexuality made them targets for the district attorney their employees and in Post's case his own family When Clark died suddenly Harrison Post inherited a substantial fortune and a wealth of trouble From Prohibition era Hollywood to Nazi prison camps to Mexico City nightclubs *Twilight Man* tells the story of an illicit love and the battle over a family estate that would destroy one man's life Harrison Post was forgotten for decades but after a chance encounter with his portrait Liz Brown Clark's great grandniece set out to learn his story *Twilight Man* is more than just a biography It is an exploration of how families shape their own legacies and the lengths they will go in order to do so

**Indecent Advances** James Polchin, 2020-05-26 Edgar Award finalist Best Fact Crime American Masters PBS 1 of 5 Essential Culture Reads One of CrimeReads Best True Crime Books of the Year A fast paced meticulously researched thoroughly engaging and often infuriating look see into the systematic criminalization of gay men and widespread condemnation of homosexuality post World War I Alexis Burling San Francisco Chronicle Stories of murder have never been just about killers and victims Instead crime stories take the shape of their times and reflect cultural notions and prejudices In this Edgar Award finalist for Best Fact Crime James Polchin recovers and recounts queer stories from the crime pages often lurid and euphemistic that reveal the hidden history of violence against gay men But what was left unsaid in these crime pages provides insight into the figure of the queer man as both criminal and victim offering readers tales of vice and violence that aligned gender and sexual deviance with tragic gruesome endings Victims were often reported as having made indecent advances forcing the accused's hands in self defense and reducing murder charges to manslaughter As noted by Caleb Cain in *The New Yorker* review of *Indecent Advances* it's impossible to understand gay life in twentieth century America without reckoning with the dark stories Gay men were unable to shake free of them until they figured out how to tell the stories themselves in a new way *Indecent Advances* is the first book to fully investigate these stories of how queer men navigated a society that criminalized them and displayed little compassion for the violence they endured Polchin shows with masterful insight how this discrimination was ultimately transformed by activists to help shape the burgeoning gay rights movement in the years leading up to Stonewall

*Charles Walters* Brent Phillips, 2014-12-02 A lively biography of the director who choreographed

Fred Astaire Debbie Reynolds and more a real backstage on the making of Hollywood musicals Wall Street Journal From the trolley scene in Meet Me in St Louis to Fred Astaire and Ginger Rogers's last dance on the silver screen to Judy Garland's tuxedo clad performance of Get Happy Charles Walters staged the iconic musical sequences of Hollywood's golden age The Academy Award nominated director and choreographer showcased the talents of stars such as Gene Kelly Doris Day and Frank Sinatra yet Walters's name often goes unrecognized today In the first full length biography of Walters Brent Phillips chronicles the artist's career from his days as a Broadway performer to his successes at Metro Goldwyn Mayer Phillips takes readers behind the scenes of beloved musicals including Easter Parade Lili and High Society He also examines the director's uncredited work on films like Gigi and discusses his contributions to musical theater and American popular culture This revealing book also considers Walters's personal life and explores how he navigated the industry as an openly gay man Drawing on unpublished oral histories correspondence and new interviews this biography offers an entertaining and important new look at an exciting era in Hollywood history

**Ku Klux Kulture** Felix Harcourt, 2017-11-22 A study of the Ku Klux Klan's efforts to interact with American culture in the 1920s In popular understanding the Ku Klux Klan is a hateful white supremacist organization In Ku Klux Kulture Felix Harcourt argues that in the 1920s the self proclaimed Invisible Empire had an even wider significance as a cultural movement Ku Klux Kulture reveals the extent to which the KKK participated in and penetrated popular American culture reaching far beyond its paying membership to become part of modern American society The Klan owned radio stations newspapers and sports teams and its members created popular films pulp novels music and more Harcourt shows how the Klan's racist and nativist ideology became subsumed in sunnier popular portrayals of heroic vigilantism In the process he challenges prevailing depictions of the 1920s which may be best understood not as the Jazz Age or the Age of Prohibition but as the Age of the Klan Ku Klux Kulture gives us an unsettling glimpse into the past arguing that the Klan did not die so much as melt into America's prevailing culture Praise for Ku Klux Kulture A superb piece of scholarship Harcourt is particularly good at showing how anti Klan cultural productions helped legitimize the Klan's views The New Republic An impressive work of archival history The book is essential reading because it shows that rather than a radical fringe group the 1920s KKK was a central well respected part of white Protestant culture The Forward An intriguing exploration of the rise and fall of the second iteration of the Ku Klux Klan Recommended Choice

Cinema and the Wealth of Nations Lee Grieveson, 2018-01-02 The silver screen and the gold standard The Panama Caper Empire of liberty Liberty bonds The State of extension The work of film in the age of Fordist mechanization The Pan American road to happiness and friendship Highways of Empire League of corporations The silver chains of mimesis The golden harvest of the silver screen Welfare media The world of tomorrow today
