Unmasking The Pagan Christ An Evangelical Response To The Cosmic Christ Idea:

Unmasking the Pagan Christ Stanley E. Porter, Stephen J. Bedard, 2006 Rabbi or Messiah Prophet or the Son of God People have debated the identity of Jesus of Nazareth since the first century But what if there was no Jesus What if there was no Mary or Joseph no twelve apostles What if the story of Jesus was no more than a myth to convey spiritual truth These claims have been around for hundreds of years and have become more prominent with well known religion columnist Tom Harpur s recent book *The Pagan Christ* Harpur claims that Jesus was not a historical figure but was one version of an ancient myth that can be traced from ancient Egyptian religion to the Roman mystery cults Stanley Porter and Stephen Bedard tackle this radical claim by looking at the roots of the pagan Christ idea examining the supposed pagan parallels and presenting the evidence for the historical Jesus The authors demonstrate that the suggestion of pagan origins for the Gospel story is not based on historical or textual evidence but rather on a desire to create a universalistic spirituality revolving around a Cosmic Christ within each person A fair examination of both the mythological and biblical texts reveal that the traditional understanding of an actual historical figure known as Jesus of Nazareth appearing two thousand years ago is indeed the only logical conclusion Stanley E Porter is President and Dean and Professor of New Testament at McMaster Divinity College Hamilton Ontario Canada Porter has M A degrees from Claremont Graduate School and Trinity Evangelical Divinity School and the Ph D from the University of Sheffield He has written widely on issues of concern in study of the New Testament such as Jesus Paul the book of Acts and John He has a passion for education in the church and preaches and teaches regularly Stephen J Bedard is the pastor of Woodford Baptist Church and First Baptist Church Meaford Ontario Canada He holds the M Div and M Th degrees from McMaster Divinity College and is actively engaged in further graduate study Bedard is an advocate of informed preaching and teaching and is devoted to the ministry of the local church

Robertson,2019-10-17 My purpose in grouping the four ensuing studies is to complement and complete the undertaking of a previous volume entitled *Christianity and Mythology* That was substantially a mythological analysis of the Christian system introduced by a discussion of mythological principles in that particular connection and in general The bulk of the present volume is substantially a synthesis of Christian origins introduced by a discussion of the principles of hierology Such discussion is still forced on sociology by the special pleaders of the prevailing religion But the central matter of the book is its attempt to trace and synthesise the real lines of growth of the Christian cultus and it challenges criticism above all by its theses 1 that the gospel story of the Last Supper Passion Betrayal Trial Crucifixion and Resurrection is visibly a transcript of a Mystery Drama and not originally a narrative and 2 that that drama is demonstrably as historic demonstration goes a symbolic modification of an original rite of human sacrifice of which it preserves certain verifiable details **In Search of the Primordial Tradition & the Cosmic Christ** John Rossner,1989 *From Pulpit to Pagan* Dhungarvn the Grey,2008-09 After teaching and ministering twenty two years as a Christian pastor and evangelist author Dhungarvn the Grey became disillusioned with the self righteous membership and church politics He left the ministry and began searching for the truth In his re evaluation of his concept of God and prayer he reconnected with nature and the idea of nature based spirituality His soul stirred with a yearning toward paganism *From Pulpit to Pagan* is the story of Dhungarvn the Grey s journey from Christianity to paganism and his quest for truth Horus Mithra Krishna and Jesus all told their followers You will know the truth and the truth will set you free The truth about Christianity frees the pagan of the guilt trips inflicted by well meaning family members It frees them from the tendency to credit Christianity the Bible and Jesus with more truth than is valid It frees them from the missionary traps and ignorant attacks by evangelicals Dhungarvn suspects that many in the pagan community are programmed by their family experience and Christian upbringing they hold onto the Bible and Jesus out of unconscious fear and guilt *From Pulpit to Pagan* details Dhungarvn s struggles but also provides hope for other pagans to become truly free
