Unprecedented How Sex Offender Laws Are Impacting Our Nation:

Caught in the Web of the Criminal Justice System Lawrence A. Dubin, J.D., Emily Horowitz, Ph.D., 2017-06-21

Arguing for reform in the judicial treatment of people convicted of sex offenses this book examines how sentencing policies are based on emotion rather than research Using the lens of harsh sex offense prosecutions of those with developmental disabilities this book highlights the hysteria underlying our approach to sex offenses Unprecedented John Haralson, Jon

Cordeiro, *Tourism Impacts, Planning and Management* Peter Mason, 2020-08-03 Tourism Impacts Planning and Management is a unique text which links the three crucial areas of tourism impacts planning and management Tourism impacts are multifaceted and are therefore difficult to plan for and manage This title looks at all the key players involved be they tourists host communities or industry members and considers a number of approaches and techniques for managing tourism impacts successfully Now in its Fourth Edition this bestselling text has been fully revised to include new material on overtourism dark tourism child sex tourism in South East Asia festival tourism regional development and Artificial Intelligence updated tourism data and statistics new case studies on the economic impacts of tourism in France the 20 places most reliant on tourism in 2018 F ilte Ireland s survey of good environmental practice in the industry corporate social responsibility as well as the above topical issues in tourism an updated Companion Website that includes PowerPoints video and web links and a case study archive The text is written in an accessible style and includes a plethora of features that engage and aid understanding This accessible yet academically rigorous introduction to tourism impacts planning and management is essential reading for all tourism students **Sex Crimes and Offenders** Mary Clifford, Alison

Feigh, 2022-05-02 For decades and in some cases centuries individuals families and friends of victims sought out ways to help heal the hurts caused by sexual abuse and implement some way to protect against future harms The recent very public conversations about victims standing up to perpetrators has expanded the reach and public platform of sexual violence prevention efforts in critical ways What might appear a relatively simple task on the surface to define healthy and harmful sexual practices inevitably raises even more questions When the questions and answers are framed and defined through historical cultural social and individual lenses solutions may seldom be simple Structured in five parts Sex Crimes and Offenders Exploring Questions of Character and Culture uses healthy sexuality as a back drop for exploring the complicated issue of identifying and punishing sex crimes defining the parameters of sexualized violence and sexual violence prevention The goal is to prevent harm address hurts hold perpetrators accountable and eventually eliminate to the degree possible all future harms The information presented explores individual treatment efforts as well as the social and political responses designed to hold perpetrators accountable and help support victims Essential resources made visible throughout this text are provided to help inform young people families faith communities and future practitioners to raise important reflective questions and to serve as a resource for anyone of any age who has suffered harm or perpetrated harm and is in need of

support and healing Finally the book concludes by shining a light on the efforts each of us can take to identify reduce and work toward eliminating sexual violence and harms Additional resources for Instructors including PowerPoint Lecture Notes and Test Banks are provided

The Handbook of Social Control Mathieu Deflem,2019-01-11 The Handbook of Social Control offers a comprehensive review of the concepts of social control in today s environment and focuses on the most relevant theories associated with social control With contributions from noted experts in the field across 32 chapters the depth and scope of the Handbook reflects the theoretical and methodological diversity that exists within the study of social control Chapters explore various topics including theoretical perspectives institutions and organizations law enforcement criminal justice agencies punishment and incarceration surveillance and global developments This Handbook explores a variety of issues and themes on social control as being a central theme of criminological reflection The text clearly demonstrates the rich heritage of the major relevant perspectives of social control and provides an overview of the most important theories and dimensions of social control today Written for academics undergraduate and graduate students in the fields of criminology criminal justice and sociology The Handbook of Social Control is an indispensable resource that explores a contemporary view of the concept of social control

Digital Constitutionalism Edoardo Celeste,2022-10-13 Investigating the impact of digital technology on contemporary constitutionalism this book offers an overview of the transformations that are currently occurring at constitutional level highlighting their link with ongoing societal changes It reconstructs the multiple ways in which constitutional law is reacting to these challenges and explores the role of one original response to this phenomenon the emergence of Internet bills of rights Over the past few years a significant number of Internet bills of rights have emerged around the world These documents represent non legally binding declarations promoted mostly by individuals and civil society groups that articulate rights and principles for the digital society This book argues that these initiatives reflect a change in the constitutional ecosystem The transformations prompted by the digital revolution in our society ferment under a vault of constitutional norms shaped for analogue communities Constitutional law struggles to address all the challenges of the digital environment In this context Internet bills of rights by emerging outside traditional institutional processes represent a unique response to suggest new constitutional solutions for the digital age Explaining how constitutional law is reacting to the advent of the digital revolution and analysing the constitutional function of Internet Bills of Rights in this context this book offers a global comparative investigation of the latest transformations that digital technology is generating in the constitutional ecosystem and highlights the plural and multilevel process that is contributing to shape constitutional norms for the Internet age
