UNSEEN ARMS

Reaching Out

Born without arms or legs and abandoned by her birth parents, Amy Brooks has an amazing story of faith, hope, and accomplishment.

Brooks' family friend, Karen remarked:

"When life hands you lemons, make lemonade." This does not apply to Amy, her story is more like "when life hands you lemons, make grape juice and eat both and watch the world see how you did it." I am lucky I know Amy and her family for as far back as I can remember, but not well enough to have known the lessons she's learned in this story. From an early childhood, I thought you could read, Amy knew as though she began at her and chose to be not a very good reader of this book. I thought, the word might come from Brooks, know all who remember her. I can honestly say from the time I met her, this is one of the most heartwarming and inspiring people I've met."
