Let Your Heart Beat Again (A Breath Without Life Novel - Book 1) Janith Hooper, 2020-09-01 After four months on the job twenty four year old Rebecca Harper has become something of a jack of all trades on the Cooper Bar 6 Ranch except for her cooking But the four strapping sons who run the ranch in their father s absence need wise counsel more than unburnt bread and Rebecca is perfect for the job Whether dealing with the driven eldest the belligerent youngest or the personalities in between she recognizes the source of each young man s pain is a lifetime of a father s indifference As soon as the rogue returns Rebecca aims to give Mr Cooper a thick piece of her mind Not that dishing out hard truth will make her feel any more alive Past betrayal has taught her to live at arm s length from anyone who might mean too much to her So she cooks and cleans and counsels at once harboring anger against a man she has never met and numbing herself against the life she has forgotten to desire Until one night one thunder storm and one heroic stranger changes it all In that fleeting moment Rebecca Harper dares to hope her heart will beat again

The Jewish Novel in the Ancient World Lawrence M. Wills, 2015-03-11 Lawrence M Wills here traces the literary evolution of popular Jewish narratives written during the period 200 BCE 100 CE In many ways these narratives were similar to Greek and Roman novels of the same era as well as to popular novels of indigenous peoples within the Roman Empire Yet as a group they demonstrated a variety of novelistic innovations the inclusion of adventurous episodes passages of description and of dialogue concern with psychological motivation and the introduction of female characters Wills focuses on five novels Greek Esther Greek Daniel Judith Tobit and Joseph and Aseneth Drawing on a wide range of theoretical works he delineates the techniques and motifs of the Jewish novel shows how the genre both initiated and distanced itself from nonfictional prose such as historical and philosophical writing discusses its relation to Greco Roman romance and describes the social conditions governing its emergence and reception Wills also places the novels in historical context situating them between the Hebrew Bible on the one hand and subsequent developments in Jewish and Christian literature on the other Wills sees the Jewish novel as a popular form of writing that provided amusement for an expanding audience of Jewish entrepreneurs merchants and bureaucrats In an important sense he maintains it was a product of the novelistic impulse the impulse to transfer oral stories to a written medium to reach a more literate audience
