Untouchables Honest Conversations About Subjects We Would Rather Not Discuss:

Untouchables Jack Hilligoss,2015-08-31 There are some things we would rather not talk about There are issues we are unwilling to discuss We consider them off limits and when they come up we try to change the subject as quickly as possible Absolute truth Heaven and hell Miracles Repentance Holiness Purity Generosity Race Gay marriage Politics But we live in a world that is too full of difficult challenges and controversial issues for us to refuse to engage The Scriptures were given so that Christians could be thoroughly equipped for every good work 2 Timothy 3 17 NIV One of those good works is the ability to show a sincere inquirer that God has provided wise answers and reliable guidance not only for how to get to heaven but also for how to respond and live effectively in this confused generation In **Untouchables** Jack Hilligoss demonstrates how God's Word never hides from any subject but rather handles these sensitive and intimidating topics with grace and truth In doing so he aims to equip the body of Christ with practical and profound Christian responses to these untouchable topics **Don't**

Tell Anyone You're Reading This Lina AbuJamra,2023-10-03 In **Don't Tell Anyone You're Reading This** Dr Lina AbuJamra gives a refreshing and honest look at what it's like to struggle with sexual temptation and shame and how the Church can better support Christians and communities in these challenging and often avoided topics Are you wondering why you picked up this book Don't worry Your secret is safe with me Maybe you're like me a good person living a decent life making a living and working hard You go to church on Sundays and pray before your meals But you have a secret a hidden part of your life that you'd be ashamed for anyone to find out about I get it I really do I have secrets too The thing with secrets is that they eventually come out Instead of hiding let's have a difficult conversation a real talk about secrets and shame and sex and a lot of things in between Difficult conversations don't have to be difficult but they do have to be honest In **Don't Tell Anyone You're Reading This** Lina shares her own struggle with sexual temptation with openness and vulnerability She points out where the church and purity culture have failed our communities Lina gets real about the excuses we make and the lies we tell ourselves even when our behaviors point to a larger problem This is a no holds barred discussion on why Christians still struggle with sexual sin and what the church needs to be doing to support Christians and the community at large Most importantly you'll see that despite our constant failures as humans Jesus doesn't ask us to be perfect He just asks us to be His If you're going to have a difficult conversation you might as well have it with a doctor [A ^AMore Perfect Military](#)
