Upcycle Your Wardrobe 21 Sewing Projects For Unique New Fashions:

Upcycle Your Wardrobe Mia Führer, 2015 Reuse, recycle and repurpose the clothing you love creating new ones of all kinds of garments. Every one of the twenty-one inspiring projects in this book can be sewn quickly even by beginners. The descriptive photo instructions make it easy to follow the process step by step. Sew a length of chiffon onto a top to create a unique dress. Change a beloved sweater by giving it a great new neckline. Revamp an old linen shirt into a trendy halter top. That favourite pair of jeans that's got holes worn in its knees. Transform it into a denim skirt. Give a T-shirt a dramatic lace yoke. Turn out-of-style pants into ever-stylish chinos and much more. **Creating with Digital Sewing Machines** Kristina Lyn

Heitkamp, 2016-12-15 This title is a guide for makers who want to revolutionize their sewing game. Readers will learn the difference between mechanical, electronic and digital sewing machines and how these machines work in conjunction with other machines in a Fab Lab. There's plenty of information about careers available to digital sewing machine operators and about what education and projects can help them gain the necessary skills. And readers can check out the sources in the back to continue learning about digital sewing machines even after they're done reading this book. **Upcycling Old Clothes**

Amy Larson, 2015-10-28 With how expensive clothes are getting, it can be difficult or even just annoying to buy new clothes all the time. Especially if your family includes children because they seem to grow out of everything so quickly. Fortunately, there's a way that you can counteract this. All you need to do is upcycle the clothes that your family currently has. It's not as complicated as you might think because it's not going to require you to make things entirely from scratch. At least you don't have to, but it is an option. Instead, you're using things you already have and reviving them a little. Now, maybe you've never heard of upcycling before, but we're going to introduce you to it throughout the course of this book. We're going to help you understand what it means to upcycle your clothes and what it means to make sure that you are really making your clothes look their best all over again. We'll even go through some really neat ways to improve your clothing quickly and easily. Very little artistic talent necessary. All you're going to need is some old clothes and some accessories like buttons, pieces of lace and maybe even scraps of fabric. All those things are going to make your old clothes look like something brand new. Inside You Will Learn: What is Upcycling? Why Should I Upcycle? How to Upcycle Your Favorite Clothes. Upcycling Your Children's Clothes. And Much More. You will definitely want to find out even more about how this great idea is going to revolutionize your life. It's going to make back-to-school shopping a lot more fun, and it's definitely going to make your closet look like it cost a million bucks without costing you anything extra.
