Trans Sex Lucie Fielding, 2021-05-23 Finalist 2022 Lambda Literary Awards Trans Non fiction Category Winner of the 2022 AASECT Book Awards Book for Sexuality Professionals Winner of the 2023 SSTAR Consumer Book Award Despite the increasing visibility of trans and non binary folx in media political representation and popular culture their sexual lives and erotic embodiments are woefully under attended to in both scholarship and clinical practice The aim of this book is to equip providers with both conceptual frameworks and concrete tools for better engaging their trans non binary and gender expansive clients in pleasure centered discussions of sexual health Challenging the dominant images of trans sexualities that appear in the existing literature such as an emphasis on avoiding gender dysphoria the preservation of sexual function or on sexual losses that may arise as a result of transition pathways *Trans Sex* offers a pleasure positive approach to working with trans clients

Providing concrete clinical practices and practical activities that utilize social justice intersectional trans feminism and radical queer theory as key conceptual frameworks this groundbreaking text is designed to be accessible to a wide range of providers This book draws on Fielding s experiences as both a trans client patient and as a therapist to shift and expand the conversation and includes contributions from other trans and non binary providers working at the intersection of gender affirmative care and sexuality Trans Sex seeks to move trans sexualities from the margins of gender affirmative clinical practice to center pleasure and to spark creativity and empathic attunement within the client provider relationship Whether they be mental health or medical providers trainees or seasoned practitioners in gender affirmative work or sexualities readers will be able harness creative strategies to enhance their practice and become more imaginative providers Zorba the Buddha Hugh B. Urban,2016-01-12 Zorba the Buddha is the first comprehensive study of the life teachings and following of the controversial Indian guru known in his youth as Bhagwan Shree Rajneesh and in his later years as Osho 1931 1990 Most Americans today remember him only as the sex guru and the Rolls Royce guru who built a hugely successful but scandal ridden utopian community in central Oregon during the 1980s Yet Osho was arguably the first truly global guru of the twentieth century creating a large transnational movement that traced a complex global circuit from post Independence India of the 1960s to Reagan s America of the 1980s and back to a developing new India in the 1990s The Osho movement embodies some of the most important economic and spiritual currents of the past forty years emerging and adapting within an increasingly interconnected and conflicted late capitalist world order Based on extensive ethnographic and archival research Hugh Urban has created a rich and powerful narrative that is a must read for anyone interested in religion and globalization Sacred Relationship Anni Daulter,Tim Daulter,2017-09-26 Sacred Relationship is a practical and spiritual guide and journal for couples to rekindle the love spark that started their fires and to maintain a steady heat for years to come Following the format of Anni Daulter s popular Sacred Series books it is beautifully designed and illustrated with chapters focusing on thirty two weeks each with meditations and exercises on topics that couples are likely to encounter on their journey together Husband and wife team Anni and Tim Daulter offer both useful tips and creative ideas for enriching life together and the weekly encounters provide couples with helpful information and thoughtful prompts for journaling that invite both members of the couple to take an intentional look at the relationship and adopt a practice of personal reflection and soul nourishment As anyone in a long term relationship knows the intense high that accompanies the beginning of love can fade over time unless the relationship receives proper care and attention Sacred Relationship shows how intentional love brings more happiness deeper joy and greater fulfillment than the initial love spell and can steer each member of the couple into more profound personal growth The book serves as a toolkit with answers to a wide variety of relationship questions and as a handbook for crafting daily practices that will raise the vibration of the relationship Parents will find solace in topics that shed light on maintaining loving relationships sex and passion once children join the family Busy couples who want to

Urban, 2009-10-30 In the West the varied body of texts and traditions known as Tantra for more than two centuries has had the capacity to scandalize and shock For European colonizers Orientalist scholars and Christian

missionaries of the Victorian era Tantra was generally seen as the most degenerate and depraved example of the worst tendencies of the so called Indian mind a pathological mixture of sensuality and religion that prompted the decline of modern Hinduism Yet for most contemporary New Age and popular writers Tantra is celebrated as a much needed affirmation of physical pleasure and sex indeed as a cult of ecstasy to counter the perceived hypocritical prudery of many Westerners In recent years Tantra has become the focus of a still larger cultural and political debate In the eyes of many Hindus much of the western literature on Tantra represents a form of neo colonialism which continues to portray India as an exotic erotic hyper sexualized Orient Which then is the real Tantra Focusing on one of the oldest and most important Tantric traditions based in Assam northeast India Hugh B Urban shows that Tantra is less about optimal sexual pleasure than about harnessing the divine power of the goddess that flows alike through the cosmos the human body and political society In a fresh and vital contribution to the field the author suggests that the real meaning of Tantra lies in helping us rethink not just the history of Indian religions but also our own modern obsessions with power sex and the invidious legacies of cultural imperialism
