Writing Poetry Shelley Tucker,2004-01-05 Educational resource for teachers parents and kids **Writing the Poetry of Place in Britain, 1700-1807** Elizabeth R. Napier,2022-11-30 This book discusses the intrusion often inadvertent of personal voice into the poetry of landscape in Britain 1700 1807 It argues that strong conventions such as those that inhere in topographical verse of the period invite original poets to overstep those bounds while also shielding them from the repercussions of self expression Working under cover of convention in this manner and because for many of these poets place is tied in significant ways to personal history poets of place may launch unexpected explorations into memory personhood and the workings of consciousness This book thus supplements past largely political readings of landscape poetry turning to questions of self articulation and self expression in order to argue that the autobiographical impulse is a distinctive and innovative feature of much great eighteenth century poetry of place Among the poets under examination are Pope Thomson Duck Gray Goldsmith Crabbe Cowper Smith and Wordsworth A Sense of Regard Laura McCullough,2015 How do poets engage issues of race This timely collection of essays brings together the voices of living poets and scholars including Garrett Hongo and Major Jackson to discuss the constraints and possibilities of racial discourse in poetic language offering new insights on this perennially vexed issue **More in Time** Jessica Poli,2021-03 Nebraska Book Award Special Poetry recognition More in Time is a celebration and tribute to Ted Kooser two time U S Poet Laureate winner of the Pulitzer Prize for Poetry and Presidential Professor of the University of Nebraska Through personal reflections essays and creative works both inspired by and dedicated to Kooser this collection shines a light on the many ways the midwestern poet has affected others as a teacher mentor colleague and friend as well as a fellow writer and observer of the world The creative responses included in this volume are reflective of the impact Kooser has had in his connections to other writers while also revealing glimpses of his distinct way of seeing Scribner's Magazine Edward Livermore Burlingame,Robert Bridges,Alfred Sheppard Dashiell,Harlan Logan,1904 **Poetry and Mindfulness** Bryan Walpert,2017-11-01 At a time when the Humanities are under threat this book offers a defense of poetry within the context of growing interest in mindfulness in

business health care and education The book argues that the benefits and insights mindfulness provides are also cultivated by the study of poetry These benefits include a focus on the present the ability to see through scripts and habits a rethinking of subjectivity and the development of ecological or systems thinking Bryan Walpert employs close readings of traditional and experimental poetry and draws on scientific studies of the effects of mindfulness or reading literature on the brain It argues the skills that poetry like mindfulness cultivates are useful beyond the page or classroom and ultimately are necessary to engage with such global issues as the environmental crisis

record of current literature

Writing Place Rebecca Hutcheon, 2018-02-12 Exploring a hitherto neglected field Writing Place Mimesis Subjectivity and Imagination in the Works of George Gissing is the first monograph to consider the works of George Gissing 1857 1903 in light of the spatial turn By exploring how objectivity and subjectivity interact in his work the book asks what are the risks of looking for the real in Gissing's places How does the inherent heterogeneity of Gissing's observation influence the textual recapitulation of place In addition to examining canonical texts such as *The Nether World* 1889 *New Grub Street* 1891 and *The Private Papers of Henry Ryecroft* 1901 the book analyses the lesser known novels short stories journalism and personal writings of Gissing in the context of modern spatial studies The book challenges previously biographical and London centric accounts of Gissing's representation of space and place by re-examining seemingly innate contemporaneous geographical demarcations such as the north and the south the city suburb and country Europe and the world and re-reading Gissing's places in the contexts of industrialism ruralism the city in literature and travel writing

Through sustained attention to the ambiguities and contradictions rooted in the form and content of his writing the book concludes that ultimately Gissing's novels undermine spatial dichotomies by emphasising and celebrating the incongruity of seeming certainties

Creativity and the Poetic Mind Jean Tobin, 2004

Creativity and the Poetic Mind mingles the voices of well-known writers such as Nikki Giovanni Donald Hall John Koethe Marge Piercy and Robert Pinsky with newer voices and includes engaging excerpts from interviews with thirty-eight American poets Within a sustained argument about creative states of mind this book innovatively presents and explores the technique of going to the place as more reliable in writing poetry than waiting for inspiration It explains why poets frequently believe that talking about their own poetry may damage their creativity and why for centuries inspiration has seemed to come from somewhere beyond the poet In addition it discusses the practicality of poets thinking

that being creative and writing poetry are two separate skills inspiration is unreliable but experienced poets create daily

Cruelty & Laughter Simon Dickie, 2011-10-04 Eighteenth century British culture is often seen as polite and sentimental the creation of an emerging middle class Simon Dickie disputes these assumptions in Cruelty and Laughter a wildly enjoyable but shocking plunge into the forgotten comic literature of the age Beneath the surface of Enlightenment civility Dickie uncovers a rich vein of cruel humor that forces us to recognize just how slowly ordinary human sufferings became worthy of sympathy Delving into an enormous archive of comic novels jestbooks farces variety shows and cartoons Dickie finds a vast repository of jokes about cripples blind men rape and wife beating Epigrams about syphilis and scurvy sit alongside one act comedies about hunchbacks in love He shows us that everyone rich and poor women as well as men laughed along In the process Dickie also expands our understanding of many of the century s major authors including Samuel Richardson Lady Mary Wortley Montagu Tobias Smollett Frances Burney and Jane Austen He devotes particular attention to Henry Fielding s Joseph Andrews a novel that reflects repeatedly on the limits of compassion and the ethical problems of laughter Cruelty and Laughter is an engaging far reaching study of the other side of culture in eighteenth century Britain
