Few scholars let alone graduate students have been taught habits of writing fluency and productivity. The writing skills imparted by this book will not only help the reader through the dissertation writing process but will serve her or him in whatever career she or he embarks on given the paramount importance of written communication especially in the academy. This book presents a system of straightforward and proven techniques that are used by productive writers and applies them to the dissertation process. In particular it promotes the concept of writing networks whether writing partners or groups to ensure that writing does not become an isolated and tortured process while not hiding the need for persistence and sustained effort. This book is intended for graduate students and their advisers in the social sciences, the humanities and professional fields. It can further serve as a textbook for either informal writing groups led by students or for formal writing seminars offered by departments or graduate colleges. The techniques described will help new faculty advise their students more effectively and even achieve greater fluency in their own writing.

A Practical Guide to Writing a Successful Thesis in the Humanities Zolta'n Dragon, 2012-06-27. Not another Academic Writing tutorial. *A Practical Guide to Writing a Successful Thesis in the Humanities* is about tips and tricks that can help students accomplish the task of writing a successful BA or MA thesis and enjoy doing it to the extent it is possible. The author focuses on how to get into the mindset of writing a thesis, how to compose the most compelling thesis statement, logical structure and flow of argumentation and on how to make the word processor behave. The book also gives advice on how to manage time and accomplish the most in research and writing. Far from being a manual or detailed walk through of how to write a thesis, this book helps to get students over daily minute problems before they overcome their thesis writing projects.

How to Write an Exceptional Thesis Or Dissertation J. S. Graustein, 2014. According to the Council of Graduate Schools only 57 percent of students who start their Ph.D.s complete them within 10 years and many times it's the thesis or dissertation that is holding them back. But if you're equipped with *How to Write an Exceptional Thesis or Dissertation* you won't waste precious time deliberating how to organize and execute a persuasive thorough thesis or dissertation for both master's and doctorate levels. Even if you have never written a paper that spanned more than five pages or spoken in front of a committee you will learn how to easily formulate and utilize the correct research methodology, organization, citation styles, formatting options, submission guidelines and presentation pointers to ensure that the academic world will notice and respect your hard work. With this book you will learn everything from the ground level basics to the more detailed breakdown of the research process. You will gain a strong understanding of the difference between a thesis and dissertation and you will grasp the components expected of your work regardless of the subject matter of your research. This book will walk you through the entire process step by step, teaching you how to structure a planning and writing schedule that will keep the process manageable and not overwhelming. You will learn how to locate and recognize a topic that is appropriate for your thesis or dissertation and you will discover how to expand on the subject matter to ensure it's unique and distinct from any other research out there.
