Rumors of this illicit activity circulated and became the stuff of urban myth, but this period of pornography history remains murky. *Let's Go Stag* reveals the secrets of this underground world. Using the archives of civic groups, law enforcement, bygone government studies and similarly neglected evidence, archivist Dan Erdman reconstructs the means by which stag films were produced, distributed and exhibited, as well as demonstrate the way in which these practices changed with the times, eventually paving the way for the pornographic explosion of the 1970s and beyond. *Let's Go Stag* is sure to point the way for countless future researchers and remain the standard work of history for this era of adult film for a long time to come. *Leda the House of Spirits* Aaron Griffin, 1997 Two provocative tales from the author of *Passage*.
