Through The Montana Mist:

Through the Montana Mist Carol Lynne, 2010 *The American Shorthorn Herd Book*, 1903 **My Unorthodox Hearts** Garry W. Gosney, 2008-10 This book shares original poems providing spiritual and inspirational messages in a rhythmic and rhyming style The poems focus on values and intend to encourage you to pursue your goals while helping you to identify and experience your life purpose **Girldrive** Nona Willis Aronowitz, Emma Bee Bernstein, 2009-10-06 What do young women care about What are their hopes worries and ambitions Have they heard of feminism and do they relate to it These are just a few of the questions journalist Nona Willis Aronowitz and photographer Emma Bee Bernstein set out to answer in Girldrive In October 2007 Aronowitz and Bernstein took a cross country road trip to meet with the 127 women profiled in this book ranging from well known feminists like Kathleen Hanna Laura Kipnis Erica Jong and Michele Wallace to women who don't relate to feminism at all The result of these interviews Girldrive is a regional chronicle of the struggles concerns successes and insights of young women who are grappling just as hard as their mothers and grandmothers did to find define and fight for gender equity **Montana Mist** Doug Hiser, 2010-08-20 In the remote Montana wilderness a mountain man once a professional athlete lives his life in seclusion protecting and raising orphan wolves until he gives his heart to Sassy a young woman hitchhiking across America He guards his secrets and the other woman in his life a beautiful blind woman known as Shy Girl The wolf pack roams the mountains as he searches for the white wolf Mist that he raised and released into the harsh snowy forested peaks his ties with the wolves as close as the bond with his new love Montana Mist is the story of one man's secrets the two women in his life and the wild world of wolves of the remote forest in the last untamed region where man has not put his imprint on the land A man shaped by the mystery of his past and the complication of his future while the adventure of his heart threatens to destroy his solitary precious world of mountain wolverine moose elk and wolf *The American Short-horn Herd Book* Lewis Falley Allen, William T. Bailey, 1903 *The Last Wild Places of Kansas* George Frazier, 2017-02-16 Since the last wild bison found refuge on the back of a nickel the public image of natural Kansas has progressed from Great American Desert to dust bowl to flyover country that has been landscaped fenced and farmed But look a little harder George Frazier suggests and you can find the last places where tenacious stretches of prairie forest and wetland cheat death and incubate the DNA of lost wild America Documenting three years spent roaming the state in search of these hidden treasures The Last Wild Places of Kansas is Frazier's idiosyncratic and eye opening travelogue of nature's secret holdouts in the Sunflower State These are places where extirpated mammalian species are making comebacks where flying squirrels leap between centuries old trees lit by the unearthly green glow of foxfire where cold springs feed ancient watercress pools where the ice moon paints the Smoky Hills with memories of the buffalo wolf and the lonesome rattle of false indigo where the blue lid of the sky forms a vacuum seal over treeless pastel hills orange in winter where bluestem rises Some are impossible to find on maps Most are magnificently bereft of anything beneficial to 99.9 percent of modern America

True wildernesses they may not be but at the correct angle of light when the wind blows pollen carrying biological memories of the glaciers these places are a crack between the worlds portals to the lost buffalo wilderness En route Frazier takes us from the unexpected wilds of the Kansas City suburbs to the Cimarron National Grassland in the far southwestern corner of the state He visits ancient springs shares a beer with prairie dog hunters and fails in his mission to canoe the upper Marais des Cygnes a trip that requires permission from every landowner on the route Along the way we encounter a host of curious characters ranchers farmers Native Americans explorers wildlife experts and outdoor enthusiasts all fellow travelers in a quest to know preserve and share the last wild places of Kansas **Yule Gift** Luna Alchemie,2023-06-04 A while back I almost died due to exposure to a toxin that has left my legs partially paralyzed No one knows how I got it which isn't a good feeling And now there is a strange car driving by Aunt Aggie's country home I admit it makes me nervous I've hired a local guy for security cameras Spike Oberon is good looking but not friendly My sister says he is some type of Fae but she doesn't know what kind I admit I am kind of curious Abominable snowman maybe Honey badger Something cantankerous When the camera reveals who is in the SUV I'm glad Spike will be with me when I meet with them And then I'm going to find out what type of Fae Spike is Sweet heat level romance **Federal Register** ,2000-01-03 **New International Dictionary** ,1920
