Goldstein, 2009-04-13 History Tibet - a Country Where People Have Leapt a Thousand Years Forward Vlnář, Jan, The core of the book is a critical edition of an unpublished reportage of Jan Vlna from his 1959 trip to Tibet called *Tibet A Country where People Have Leaped a Thousand Years Forward* Vlna's text was never published officially there are only fifteen copies of a samizdat edition printed in 1983 in Zurich and today it can be considered an important documentary material of the given historical period The reportage written in 1960 echoes the official Chinese narrative of Tibetan history and social development and his views reflect the Chinese interpretation of the March 1959 uprising The book is accompanied by so far unpublished photographic material from the 1959 journalist expedition to Tibet and scholarly commentary by editors to the original text in the form of footnotes and several studies clarifying certain aspects of the topic and the historical and political context Kamila Hladkov describes the clash of Chinese and Tibetan narratives explaining recent Tibetan history mainly regarding the occupation of Tibetan inhabited territories by the PLA in 1950 1951 and the legitimization of the regime after 1959 Lubo B lka provides detailed biography of Jan Vlna and explains the historical background of the decade between 1950 and 1959 in Tibet analyzes the texts published by other visitors to Tibet in that time and introduces the phenomenon known in Tibetan language as *thamzing* or struggle sessions **Tibetan Buddhists in the**

Making of Modern China Gray Tuttle, 2005 Gray Tuttle reveals the surprising role Buddhism and Buddhist leaders played in the development of the modern Chinese state and in fostering relations between Tibet and China from the Republican period 1912-1949 to the early years of Communist rule. Tuttle offers new insights on the impact of modern ideas of nationalism, race, and religion in East Asia. He draws on previously unexamined archival and governmental materials as well as personal memoirs of Chinese politicians and Buddhist monks and ephemera from religious ceremonies. *The Tibetan Government-in-Exile* Stephanie Römer, 2008-05-15 This book examines the Tibetan government in exile, the Central Tibetan Administration (CTA). Based on extensive empirical studies in India and Nepal, it discusses the political strategies of the CTA to gain national loyalty and international support to secure its own organizational survival and to reach its ultimate goal of returning to Tibet. *On the Cultural Revolution in Tibet* Melvyn C. Goldstein, Ben Jiao, Tanzen Lhundrup, 2010-10-28 This resource revisits the Nyemo incident, which has long been romanticised as the epitome of Tibetan nationalist resistance against China. The authors show that far from being a spontaneous battle for independence, this event was actually part of a struggle between rival revolutionary groups and was not ethnically based. **The Dance of 17 Lives** Mick Brown, 2010-11-15 In January 2000, two Ambassador taxis twisted their way up the narrow road leading towards Dharamsala in the Himalayan foothills of northern India, the home in exile of the Dalai Lama. In one taxi was a fourteen-year-old boy, the 17th Karmapa, one of the most important figures in Tibetan Buddhism. The boy's arrival in Dharamsala was the culmination of an extraordinary escape which had brought him 900 miles across the Himalayas in conditions of high danger from the monastery in Tibet where he had lived since he was seven years old. Fascinated by this charismatic young figure, Mick Brown travelled to Dharamsala to meet him and found himself drawn into the labyrinthine, not to say surreal, web of intrigue surrounding the 17th Karmapa's recognition and young life. **Writing Lives in China, 1600-2010** Marjorie Dryburgh, Sarah Dauncey, 2013-10-31 This innovative collection explores the life stories of Chinese women and men between the seventeenth and twenty-first centuries. It draws on both biographical and autobiographical narratives and on perspectives taken from life writing theory to ask how lives were lived and written within and against the rules of the autobiographical game. **Going Places** Robert Burgin, 2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read-alikes with this detailed and expertly constructed guide. Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe, smart librarians need a guidebook that makes sense of the world of travel narratives. *Going Places: A Reader's Guide to Travel Narratives* meets that demand, helping librarians assist patrons in finding the nonfiction books that most interest them.
