Tis Some Poor Fellows Skull Post Soviet Warfare In The Southern Caucasus:

'Tis Some Poor Fellow's Skull Patrick Wilson Gore,2008 Seeking to fragment any possible source of resistance to Moscow's authority Stalin split the Armenian nation between Armenia and Azerbaijan When the USSR fell apart the outlook seemed bleak for the Nagorno Karabagh Armenians locked uncomfortably into Azerbaijan Random pogroms were followed by systematic ethnic cleansing And armed resistance Oil rich Azerbaijan cracked down and a bloody conflict ensued in which elements of the old Soviet military machine were put to the test in unexpected ways Afghan Mujahidin Chechen terrorists and missing nuclear weapons all played roles in Nagorno Karabagh's struggle to survive **The Nine Lives of Don**

Patricio Patrick Wilson Gore,2023-12-27 Don Patricio picked up the sobriquet in Antigua Guatemala and it became firmly attached in Mexico The Nine Lives are harder to explain but given the life he led over the last seventy years odds were against his survival **Russia's Interventions in Ethnic Conflicts** James J. Coyle,2020-11-30 This book explores the thirty year border conflict between Armenia and Azerbaijan specifically around the former autonomous republic of Nagorno Karabakh and shows how Russia is the only winner in this conflict fighting on both sides supplying arms to both sides and acting as the arbiter between the two sides The author looks at Armenia Azerbaijan and the separatists from military political economic and diplomatic perspectives and offers insights on how the fighting has influenced society and vice versa The book provides an update to the history of the war to include major fighting in 2020 and examines how Russia obtained three military bases and most economic assets in Armenia while becoming Azerbaijan's major weapons supplier to the tune of six billion dollars It shows how Russia has tried to sideline the internationally supported Minsk negotiations in favor of Russia assuming the sole role of arbiter and argues that even though Russia has submitted a number of ceasefire proposals it does little to encourage the sides to implement them The book includes a discussion of international law United Nations Resolutions and rulings by the European Court of Human Rights
