Unreliable Sources A Guide To Detecting Bias In The News Media:

Unreliable Sources Martin A. Lee, Norman Solomon, 1990 Reveals how and why news media are distorting current events

Media Bias Wm. David Sloan, Jenn Burleson Mackay, 2016-03-24 In this book scholars examine the many prevailing arguments about media bias from a non polemical perspective Essays cover individual forms of bias including ideology politics television photography religion abortion homosexuality gender race crime environment region military corporate ownership labor and health Each essay introduces the topic presents arguments for and against the specific bias assesses the evidence for all arguments and includes a list of suggested readings Two additional essays discuss the broader aspects of the bias debate and give a personal perspective on reporting the controversial Israeli Palestinian conflict Instructors considering this book for use in a course may request an examination copy here *News Media Relations for Law Enforcement Leaders (2nd Ed.)* Gerald W. Garner, 2018-09-19 To one extent or another dealing with the news media is a fact of life for every American law enforcement leader However news organizations although a pain at times can aid law enforcement in a number of ways This text avoids theory and the intangible and concentrates on the practicalities by exploring past troubled times and focuses on what cops and reporters have to offer each other The news is defined and broken down into some of its technical component parts The secrets for establishing a mutually beneficial relationship with reporters are revealed including the absolute necessity for credibility on the part of the law enforcement leader Common sense policies and procedures concerning relations with the news media and the importance of an effective Public Information Officer PIO is explored The following topics are featured newspaper journalism the all seeing eye called television a look at what radio has to offer Internet news and what the Net can provide the police officer in twenty first century America The law enforcement officer will learn how to give an effective interview produce news releases that will be used by the media the art of leading a successful news conference and the dirty tricks used by the occasional unscrupulous journalist Solid advice for overcoming this media misbehavior is given which will prepare the leader for dealing with the media challenges found at the scene of a major crime disaster or other high profile incident Instructions for the responses required to recover from an episode of bad news is included aiding the leader in how to inform the public of all good news that the agency generates Each chapter concludes with a summary of vital points to remember and a glossary of terms appears at the end of the text A new chapter has been added on the topic of fake news Law enforcement leaders need to understand what this phenomenon is and how to protect themselves from its negative effects This how to do it book is a troubleshooting guide that will enable the law enforcement leader to undertake any challenging media situation that is encountered Dictionary of Media Literacy Ellen Eliceiri, Art Silverblatt, 1997-06-30 The IDictionary of Media Literacy R is a reference work that contains key concepts terms organizations issues and individuals of note related to the field of media literacy Media literacy is an international movement with many countries developing media literacy programs This work significantly contributes to the study and understanding

of this new and evolving field In that we all live in a world in which we are inundated by information conveyed through the channels of mass communication this dictionary will be a resource for scholars students and individuals seeking to understand information delivered in this context *Bulletin of the Atomic Scientists* ,1990-10 *Bulletin of the Atomic Scientists* ,1991-06-30 **Mass Media** James B. Martin,2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes *Propaganda Review* ,1990 *Mass Communication in the Information Age* William David Sloan,1996 **Mass Media** ,1995 *Great Events from History II.: 1969-1992* Frank Northen Magill,1993 Recounts original articles treating 493 topics and events in twentieth century history spanning the cultural and artistic life of the modern world Includes landmarks in the fine arts art architecture dance fashion and design journalism literature motion pictures music television and radio and theater *Independence and Integrity* Alan G. Stavitsky,1995 **Mass Media** William Barbour,1994 Politicians sociologists and journalists discuss media bias government regulation advertising and politics **Vidura** ,1991 **Extra!** ,1995 *The U.S. Media and Yugoslavia, 1991-1995* James J. Sadkovich,1998-03-19 This book is a unique contribution to both media studies and contemporary politics It analyzes the American media s structure and its role in shaping perceptions of the crisis in the former Yugoslavia and looks at the key issues involved from self determination to genocide Sadkovich sees the failure of the U S media and the West as having prolonged and even aggravated the conflict in the former Yugoslavia This work will prove useful to both the general reader and students of media and current affairs *News Media Yellow Book* ,2008 *Radio-television-cable Management* James Anthony Brown,Ward L.
