Triumph and Terror Revelation D the Truth for End Times is a Study Guide appropriate as a resource for Christians of all denominations The goal of the Study is to strengthen readers' faith and understanding as well as to challenge and stimulate

the thinking of all who seek It aims to provide a straightforward uncomplicated narration of our Lord's glorious Revelation The writing of Triumph and Terror is presented in a chapter by chapter commentary dealing concisely with each and every verse Comments critical to the reader's understanding are carefully supported by and referenced to scripture moreover to simplify the reading for young Christians and impatient seekers quite often the referred scripture is quoted Seldom does the manuscript allow supposition The Study is strengthened and enhanced by the inclusion of ten teaching appendices a ten page glossary of terms and a brief synopsis at the beginning of each chapter The approach is intentionally direct and the language written simply so that it is appropriate for the lay reader Prayerfully the writer has attempted to coherently unravel the mysteries of the Revelation and clearly present the ideas and themes that are complex and interwoven The simplicity of the Study responds to a pressing need in both the Christian and secular world never before has there been such urgent seeking for answers as to what the future holds for humankind In some instances the Study confirms currently accepted theological ideology however in other areas it opens discussions never before pursued It carefully documents through scripture and historical records the answers to questions that are as old as Daniel while opening insight into passages which have generally been avoided by most scholars Through consistent use of scripture it informs and challenges teachings that have hitherto been unchallenged

The Good News of Revelation Larry R. Helyer, Ed Cyzewski, 2014-01-13 Readers of the Bible rarely if ever turn to the book of Revelation for comfort or assurance in hard times In fact many popular interpretations of Revelation today focus on predicting a terrifying future that leaves many unsettled and disconnected from John's original message to the seven churches many of whom were suffering persecution under the Roman Empire Revelation encouraged its original readers to persevere as they waited for God to eradicate evil restore justice and redeem the world Revelation speaks to the past present and future church with the assurance of Christ's victory over evil and the promise that faithfulness will be richly rewarded This often perplexing book of the Bible reveals good news about the rule of Christ and the future of God's people Rather than saying Watch out The Anti Christ is coming Revelation tells its readers Hold on Jesus is Lord Book jacket
