The Return Walter De La Mare,1922 Rebound, Return, Restore Jeremiah Sinsheimer,2021-06-10 Rebound Return Restore reveals one of the most beautiful stories of redemption Most people feel like they have gone too far for God to redeem them Yet one of the oldest stories in the Bible shows us that this is not the case If you feel like you could never bounce back from your past mistakes like it s too late to return to a right relationship with Christ and He could never restore all that was lost then this is the book for you Don t be bound by your past and don t give up on your future Come back to a place of hope found in Christ You will find answers to questions like these Have I gone too far Does God love me Can I come back to the place I once was Will Christ redeem all that I lost This book helps you to return to a place of peace and hope in Christ and empowers you to live a life that is no longer hindered by your mistakes or failures Have you ever gone down a path that slowly but incrementally got worse and worse Perhaps it was a business idea that required more and more investment but never generated a profit Or it could be someone you were dating longer than you should have before you realized he or she was not the one for you It is a horrible feeling It feels like you wasted time and energy only to end up going backwards Well that might very well be what you should do Go backwards Go back to the place God called you to be There is no shame in turning around and turning your life around The title of this book says it all Rebound Return Restore Read it Then start your journey back to God Remember that a path that started out good but got worse and worse is also the very same path that gets better and better on the trip back Nick Gromicko Nick Gromicko bestselling author founder of Cozy Coats for Kids This book is a profound way to look at the story of Ruth Christianity and life as a whole Generally when people preach about Ruth that is exactly where they start they never talk about the back story of Naomi The fact that she had a choice of the house of bread life or house of death I thoroughly enjoyed the description of that choice Secondly what truly blew me away was the description of the genealogy of Jesus which Ruth became a part of Every name is a prophetic picture of Christ s sacrifice and victory through the cross and resurrection I have always known that those names are important but have never been able to put them together I truly believe that this one revelation in the book is like striking gold You will love this book It will encourage you if you are minister backslidden or someone who has not made Jesus Christ your personal Savior Enjoy the journey as God opens your eyes to who God has made you to be through this book Philip Renner Author and Worship Leader **The Power of Return** John Goyette,2011-07-28 The Power of Return provides a blueprint for the church to return to God Twelve great biblical awakenings present a model that helps us understand what God expects us to do to prepare for His powerful touch on church and society A fascinating concept the revival protocol is revealed and sets the stage for us to find our way back to God This pattern and the wonderful results that follow its application are clearly seen Riveting accounts of glory clouds and heavenly fire idols torn from their pedestals and people swept together in powerful times of repentance and worship fill these pages **The Return** Walter De La Mare,2022-10-27 This work has been

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
