Love Under the K Street Bridge Maurice A. Butler,2023-12-07 People often say that homelessness can happen to anybody It is virtually only two missed paychecks away Love Under the K Street Bridge follows the journey of Jason Powell an immensely popular high school band director and Alexis Gordon an internationally renowned business woman as they become successful in society fall on hard times and lose everything They both become homeless and subsequently are scorned by the society that once adored them They find each other and develop a romantic bond as they try to traverse the evils of life on the street This fictional story highlights the fact that anybody can be just two paychecks or one medical crisis away from homelessness This story is also about the power of love and how love enables man to survive anything The struggle is real Love is real This is a story of the human condition Not If You Break Up with Me First G.F.
