True Faith Rev. Silas Kanyabigega DMin, 2017-02-24 God required the price to remove his anger against the humankind who offended him He wanted to see in that price a death with bloodshed as evidence demonstrating a sacrifice for the forgiveness of the sinners For God all sinners had to die So when Jesus died the corpse of Jesus represented the corpse of all sinners God was satisfied when he saw the corpse of Jesus God put in his mind that he had killed all mankind The punishment was then given and the problem between him and the humankind was resolved Jesus Christs corpse has ability to be the price required by God His blood as a killed sacrifice is the evidence of the death required by God The blood of animals was not needed in the mankind's salvation process The blood required by God was to be a mankind's blood This blood had to come from the death of a perfect person perfect as God himself The problem was only to be solved by the blood of God himself because only God is perfect But God could only die by taking human form that is why the Second Person of the Trinity Jesus Christ descent to earth to die in the place of humankind through an agonizing death at the cross of Golgotha and therefore he paid the price required by God Then God died as self substitution for men He was God man In beliefs of different world religions we cant find any other god who died for people Only God in whom Christians believe in died for humankind and he had risen He is alive Only the Faith in God propitiated for sinners is True Faith and other beliefs are false faith

theology Trinity community eschatology and the key sources from which he drew for theology's construction Scripture tradition culture While engaging key features seen in Grenz's work some of the essays here interact with Grenz's own writings reflecting on his theological journey and his contributions to evangelical theology In these ways this volume highlights the kind of evangelical theology that so many have experienced in recent years and of which Stan Grenz was a leading proponent Revisioning Renewing Rediscovering the Triune Center then makes a significant contribution to discussions in contemporary theology while itself setting out to honor the life and work of an eminent theologian who did so much for evangelical theology

hand in Hand Randy Alcorn, 2014-10-14 A careful guide through Scripture hand in Hand shows us why God's sovereignty and meaningful human choice work together in a beautiful way If God is sovereign how can I be free to choose But if God is not sovereign how can he be God Is it possible to reconcile God's sovereignty with human choice This is one of the most perplexing theological questions It's also one of the most personal In hand in Hand Randy Alcorn says that the traditional approach to this debate has often diminished our trust in God and his purposes Instead of making a one sided argument from select verses Alcorn examines the question in light of all Scripture By exploring what the whole Bible says about divine sovereignty and human choice hand in Hand helps us Carefully and honestly examine the different views on this issue Gain a deeper understanding of God Appreciate God's design in providing us the freedom of meaningful choice See the value in better understanding what we cannot fully understand Learn how to communicate about the issue in clear and

compassionate ways More fully experience the unity Christ intends for his Church Includes small group discussion questions
