Writing Life Celebrated Canadian And International Authors On Writing And Life:

The Cambridge Companion to Alice Munro David Staines, 2016-03-08 This Companion is a thorough introduction to the writings of the Nobel Prize winner Alice Munro. Uniting the talents of distinguished creative writers and noted academics, David Staines has put together a comprehensive exploratory account of Munro's biography, her position as a feminist, her evocation of life in small town Ontario, her non-fictional writings as well as her short stories and her artistic achievement. Considering a wide range of topics including Munro's style, life, writing, her personal development and her use of Greek myths, Celtic ballads, Norse sagas and popular songs, this volume will appeal to keen readers of Munro's fiction as well as students and scholars of literature and Canadian and gender studies. *Alice Munro: Writing Her Lives* Robert Thacker, 2011-05-03 This is the book about one of the world's great authors, Alice Munro, which shows how her life and her stories intertwine. For almost thirty years, Robert Thacker has been researching this book, steeping himself in Alice Munro's life and work, working with her co-operation to make it complete. The result is a feast of information for Alice Munro's admirers everywhere. By following the parallel tracks of Alice Munro's life and Alice Munro's texts, he gives a thorough and revealing account of both her life and work. There is always a starting point in reality; she once said of her stories, and this book reveals just how often her stories spring from her life. The book is chronological, starting with her pioneer ancestors but with special attention paid to her parents and to her early days growing up poor in Wingham. Then all of her life stages: the marriage to Jim Munro, the move to Vancouver, then to Victoria to start the bookstore, the three daughters, the divorce, the return to Huron County and the new life with Gerry Fremlin, leading to the triumphs as story by story, book by book, she gains fame around the world until rumours of a Nobel Prize circulate. **True to Life** Beth Kaplan, 2014-08-17 In fifty informative and inspiring steps, Beth Kaplan shows you how to write your story by putting on your writer's hat, then your editor's hat, then digging down to bring out the vital details of the story and finally living the writing life. Steps include: Read Like a Writer, Unleash the I Word, Claim Your Truth, Write from Scars Not Wounds, Enter the Marketplace. **Marxism and the Origins of International Relations** José Ricardo Villanueva Lira, 2021-10-20 This book investigates to what extent and in what ways Marxist writings and precepts on imperialism informed the so-called idealist stage of International Relations (IR). Though the formative years of International Relations coincide with a vibrant period in Marxist political thought, Marxism is strikingly absent from the historiography of the discipline. Building on the work of revisionist scholars, the book reconstructs the writings of five benchmark IR thinkers. Villanueva analyzes the cases of John Hobson, Henry Brailsford, Leonard Woolf, Harold Laski, and Norman Angell to explore the influence that Marxism played in their thinking and in the idealist years of the discipline more generally. He ultimately demonstrates that although Marxist thought has been neglected by mainstream IR disciplinary historians, it played a significant role in the discipline's early development. As such, this book both challenges the exclusion of Marxist thought from the mainstream disciplinary histories of IR and contributes to a deeper understanding of the role it

played in early 20th century IR theory **Canadian Primal** Mark Dickinson, 2021-02-18 Over the past few decades a group of writers we might call the Thinking and Singing poets have stood at the forefront of poetry in Canada These five poets Dennis Lee Don McKay Robert Bringhurst Jan Zwicky and Tim Lilburn are major voices in an era of ecological devastation and spiritual unease Their diverse questioning work suggests new ways to confront some of the most pressing issues of our time In vibrant prose Mark Dickinson explores the relationship between the lives of these poets and their writing examining their intersecting careers and friendships and the ways they learned from and challenged one another Canadian Primal uses an unconventional approach blending biography with literary analysis and drawing from meetings and correspondence with each poet over many years to trace the people and events that inspired the creation of important texts Dickinson tracks how each of the writers arrived at poetry as a way of being and at the heart of their poetics he finds both a musical intelligence and the crucial importance of the land Canadian Primal is literary biography reconceived as an adventure of the mind body and spirit Ebullient intelligent and eminently readable it reminds us that we can live on the earth in a different way true to the defining experiences of our lives surrounded by meaning and presence beyond our imagining *Alice Munro's Miraculous Art* Janice Fiamengo, Gerald Lynch, 2017-02-14 Alice Munro's *Miraculous Art* is a collection of sixteen original essays on Nobel laureate Alice Munro's writings The volume covers the entirety of Munro's career from the first stories she published in the early 1950s as an undergraduate at the University of Western Ontario to her final books It offers an enlightening range of approaches and interpretive strategies and provides many new perspectives reconsidered positions and analyses that will enhance the reading teaching and appreciation of Munro's remarkable indeed miraculous work Following the editors introduction which surveys Munro's recurrent themes explains the design of the book and summarizes each contribution Munro biographer Robert Thacker contributes a substantial bio critical introduction to her career The book is then divided into three sections focusing on Munro's characteristic forms themes and most notable literary effects
