**Television Program Master Index** Charles V. Dintrone, 2014-02-01 This work indexes books dissertations and journal articles that mention television shows Memoirs autobiographies biographies and some popular works meant for fans are also indexed The major focus is on service to researchers in the history of television Listings are keyed to an annotated bibliography Appendices include a list of websites an index of groups or classes of people on television and a list of programs by genre Changes from the second edition include more than 300 new shows airing on a wider variety of networks 2000 plus references more than double the second edition and a large increase in scholarly articles The book provides access to materials on almost 2300 shows including groundbreaking ones like All in the Family almost 200 entries cult favorites like Buffy The Vampire Slayer

200 plus entries and a classic franchise Star Trek more than 400 entries for all the shows The shows covered range from the late 1940s to 2010 The Walking Dead References range from 1956 to 2013 **The New Comedy Writing Step by Step** Gene Perret, 2007-07-01 Three time Emmy Award winner Gene Perret's Comedy Writing Step by Step has been the manual for humor writers for 25 years In this new book his first update Perret offers readers a treasure trove of guidelines and suggestions covering a broad range of comedy writing situations along with many all important insights into the selling of one's work Perret covers all aspects of comedy writing in his uniquely knowledgeable and anecdotal fashion Ernie Kovacs & Early TV Comedy Andrew Horton, 2022-02-24 Exploring the pioneering career of the man whose quirky comic experiments influenced decades of television from Laugh In to Late Night A true pioneer of television Ernie Kovacs entertained audiences throughout the 1950s and early 1960s with his zany irreverent and surprising humor and also inspired a host of later comedies and comedians including Monty Python David Letterman much of Saturday Night Live Rowan and Martin's Laugh In Captain Kangaroo and even Sesame Street Kovacs created laughter through wildly creative comic jokes playful characterizations hilarious insights and wacky experiments Nothing in moderation his motto and epitaph sums up well Kovacs's wholehearted approach to comedy and life In this book Andrew Horton offers the first sustained look at Ernie Kovacs's wide ranging and lasting contributions to the development of TV comedy He discusses in detail Kovacs's work in New York which included The Ernie Kovacs Show CBS prime time 1952 1953 The Ernie Kovacs Show NBC daytime variety 1956 1957 Tonight NBC late night comedy variety 1956 1957 and a number of quiz shows Horton also looks at Kovacs's work in Los Angeles and in feature film comedy He vividly describes how Kovacs and his comic co conspirators created offbeat characters and situations that subverted expectations and upended the status quo Most of all Horton demonstrates that Kovacs grasped the possibility for creating a fresh genre of comedy through the new medium of television and exploited it to the fullest Storytelling in Film and Television Kristin Thompson, 2003 Derided as simple dismissed as inferior to film famously characterized as a vast wasteland television nonetheless exerts an undeniable apparently inescapable power in our culture The secret of television's success may well lie in the remarkable narrative complexities underlying its seeming simplicity complexities Kristin Thompson unmask in this engaging analysis of the narrative workings of television and film After first looking at the narrative techniques the two media share Thompson focuses on the specific challenges that series television presents and the tactics writers have devised to meet them tactics that sustain interest and maintain sense across multiple plots and subplots and in spite of frequent interruptions as well as weeklong and seasonal breaks Beyond adapting the techniques of film Thompson argues television has wrought its own changes in traditional narrative form Drawing on classics of film and television as well as recent and current series like Buffy the Vampire Slayer The Sopranos and The Simpsons she shows how adaptations sequels series and sagas have altered long standing notions of closure and single authorship And in a comparison of David Lynch's Blue Velvet and Twin Peaks she asks whether there can be an art television

comparable to the more familiar art cinema      **The Sitcom** Jeremy G. Butler, 2019-10-09 In this new Routledge Television Guidebook Jeremy G Butler studies our love hate relationship with the durable sitcom analyzing the genre's position as a major media artefact within American culture and providing a historical overview of its evolution in the USA Everyone loves the sitcom genre and yet paradoxically everyone hates the sitcom too This book examines themes of gender race ethnicity and the family that are always at the core of humor in our culture tracking how those discourses are embedded in the sitcom's relatively rigid storytelling structures Butler pays particular attention to the sitcom's position in today's post network media landscape and sample analyses of *Sex and the City* *Black-ish* *The Simpsons* and *The Andy Griffith Show* illuminate how the sitcom is infused with foundational American values At once contemporary and reflective *The Sitcom* is a must read for students and scholars of television comedy and broader media studies and a great classroom text      Writing for Film Darsie Bowden, 2018-02-06 In this introduction to screenwriting author Darsie Bowden provides sage real world advice and instruction on the process of writing film screenplays This text will help budding screenwriters to structure their dramas refine their characterizations and craft their language while also introducing them to the appropriate screenplay formats It covers the complexities of writing for the screen and points out the contradictions to expect if readers pursue this work as a career In addition to covering the elements of the dramatic film screenplay Bowden discusses writing for such alternative markets as documentaries independent films experimental films and other non Hollywood options Features of the text include guidelines for working as a screenwriter applications and exercises to enhance skills suggested readings for further development and a comprehensive list of resources for screenwriting Successful writing for film lies in being able to heighten one's perceptive abilities about the world and to communicate those perceptions in a cinematic way In this text Bowden introduces readers to an approach to screenwriting that will help them see the world in a different way and write about it using different genres and media This most valuable skill prepares readers for the range of possibilities they will encounter on the path to successful screenwriting      Television Jeremy G. Butler, 2018-02-05 For over two decades *Television* has served as the foremost guide to television studies offering readers an in depth understanding of how television programs and commercials are made and how they function as producers of meaning Author Jeremy G Butler shows the ways in which camera style lighting set design editing and sound combine to produce meanings that viewers take away from their television experience Highlights of the fifth edition include An entirely new chapter by Amanda D Lotz on television in the contemporary digital media environment Discussions integrated throughout on the latest developments in screen culture during the on demand era including the impact of binge watching and the proliferation of screens smartphones tablets computer monitors etc Updates on the effects of new digital technologies on TV style      *Script Development* Craig Batty, Stacy Taylor, 2021-02-16 This book offers the first international look at how script development is theorised and practiced Drawing on interviews case studies discourse analysis creative practices and industry experiences it brings

together scholars and practitioners from around the world to offer critical insights into this core but often hidden aspect of screenwriting and screen production Chapters speculate and reflect upon how creative commercial and social practices in which ideas emotions people and personalities combine cohere and clash are shaped by the practicalities policies and rapid movements of the screen industry Comprising two parts the book first looks into script development from a theoretical perspective and second looks out from the practice to form practitioner led perspectives of script development With a rising interest in screenwriting and production studies and an increased appetite for practice based research the book offers a timely mapping of the terrain of script development providing rich foundations for both study and practice *The SAGE Handbook of Television Studies* Manuel Alvarado, Milly Buonanno, Herman Gray, Toby Miller, 2014-12-09 Genuinely transnational in content as sensitive to the importance of production as consumption covering the full range of approaches from political economy to textual analysis and written by a star studded cast of contributors Emeritus Professor Graeme Turner University of Queensland Finally we have before us a first rate and wide ranging volume that reframes television studies afresh boldly synthesising debates in the humanities cultural studies and social sciences This volume should be in every library and media scholar s bookshelf Professor Ravi Sundaram Centre for the Study of Developing Societies Bringing together a truly international spread of contributors from across the UK US South America Mexico and Australia this Handbook charts the field of television studies from issues of ownership and regulation through to reception and consumption Separate chapters are dedicated to examining the roles of journalists writers cinematographers producers and manufacturers in the production process whilst others explore different formats including sport novella and soap opera news and current affairs music and reality TV The final section analyses the pivotal role played by audiences in the contexts of gender race and class and spans a range of topics from effects studies to audience consumption The SAGE Handbook of Television Studies is an essential reference work for all advanced undergraduates graduate students and academics across broadcasting mass communication and media studies **Situation Comedy, Character, and Psychoanalysis** D.T. Klika, 2018-01-25 Situation Comedy Character and Psychoanalysis puts the sitcom character on the analyst s couch and closely examines the characters of Basil Fawlty Lucy Ricardo and Kim from Australia s Kath Kim in order to reveal the essential elements that must exist in a sitcom before even the first joke is written Original in its approach D T Klika uncovers major findings about the sitcom as well as human behavior and relationships that we find arresting and even familial By offering a new way of reading the sitcom using psychoanalytic theory this book can be used as a basis for engaging in critical discourses as well as textual analysis of programs Psychoanalytic theory enables a reading of character motivations and relationships in turn elucidating the power struggle that exists between characters in this form of comedy Situation Comedy Character and Psychoanalysis shines a light on what is at play in the sitcom that makes us laugh and why we love the characters we do only to discover that this form of comedy is more complex than we first thought Watching TV with a

Linguist Kristy Beers Fägersten, 2016-09-09 In *Watching TV with a Linguist* Fägersten challenges the conventional view of television as lowbrow entertainment devoid of intellectual activity. Rather, she champions the use of fictional television to learn about linguistics and at the same time promotes enriched television viewing experiences by explaining the role of language in creating humor, conveying drama, and developing identifiable characters. The essays gathered in this volume explore specific areas of linguistics, providing a comprehensive yet accessible introduction to the study of language. Through programs such as *Seinfeld*, *The Simpsons*, *Sherlock*, and *The Wire*, contributors deftly illustrate key linguistic concepts and terminology using snippets of familiar dialogue and examples of subtle narration. In addition, contributors aim to raise linguistic awareness among readers by identifying linguistics in action, encouraging readers to recognize additional examples of concepts on their own. To this end, each chapter provides suggestions for viewing other television series or specific episodes where further examples of the linguistic concepts in focus can be found. Invaluable as a resource in linguistics and communication courses, *Watching TV with a Linguist* is the first book to use the familiar and compelling medium of television to engage students with the science of language.

*Visual Culture in Twentieth-century Germany* Gail Finney, 2006 *Visual Culture in Twentieth Century Germany* explores a wide spectrum of visual media in 20th century Germany in their critical and social contexts. Contributors examine film, photography, cabaret performances, advertising, architecture, painting, dance, television, and cartography.

*Humor, Psyche, and Society: A Socio-Semiotic Analysis* Arthur Asa Berger, 2020-10-06 It is the age-old saying that laughter is the best medicine. Scientific research has substantiated the claim made by this proverb by verifying the positive effects it has on both our mind and body, but what is it about a good joke, comic, or sitcom that makes us laugh? *Humor, Psyche, and Society* is a compilation of Berger's previously published articles and new chapters on the nature of humor, its importance for our psyches, and its social and political significance. Written in an accessible style, it uses semiotics, psychoanalytic theory, sociological theory, as well as other theories of humor to explore the multifaceted nature of humor, various styles of jokes and sitcoms. Using Berger's typology of forty-five techniques found in all forms of humor, developed to explain what makes us laugh, this book analyses a variety of humorous texts. Balancing theory, entertaining jokes, and other humorous texts, as well as the author's illustrations, the chapters in this book delve into a diverse range of topics such as humor and the creative process, humor and health, and visual humor, along with an examination of the sitcoms *Frasier* and *Cheers*, and finally the exploration of jokes, including Jewish jokes and jokes on Russia and Communism and Trump. This book will be of particular interest to university students studying courses in humor, comedy, popular culture, applied semiotics, American politics and culture, and cultural studies. Due to the accessible nature of this book, the general public may find it to be both a fascinating and entertaining read.
