Professional Feature Writing Bruce Garrison, 2014-04-04 The new edition of this successful text gives advanced writers and reporters a thorough look at newspaper, magazine, and newsletter feature writing. It includes computer-based research tools and a discussion of online publications and resources. This edition emphasizes three primary aspects of feature writing: introduction and writing skills, the basics, article types, and the collegiate and professional writing life. Readers learn from the narrative, from the advice of professionals, and by example. Each chapter contains excerpts and complete articles from some of the nation's leading publications to illustrate points made in the text.
