

## Topic Sentence: What's the Topic?

The topic sentence in a paragraph clearly states the main idea of the paragraph. While it is usually at the beginning of the paragraph, it also can be in the middle or end of it.

### Topic: Are life jackets important?

**Example:** Everyone should wear a life jacket when they are on a boat. Life jackets have been proven to save lives. No one can predict when an accident might happen. There may not be enough time to put on a life jacket, but if you are already wearing it, it may save your life.

The topic sentence in the example is underlined. The rest of the sentences in the paragraph support the topic sentence.

Below are topic sentences. Write what you think the topic is for each one.

1. Having friends and being a good friend can sometimes be work.
2. Reading is the most important subject in school because reading is necessary in order to learn all the other subjects.
