this left 60% of drivers who hadn't had a drop but who still had accidents it must obviously be safer to drink and drive Let's talk strine The Aussies are not subtle and neither is their language They will say what they mean The problem is that the words they use don't always mean what they say For example bluey someone who has red hair you're orright you are absolutely super it's a bit warm it is probably 120F in the water bag water bags are always hung in the shade that'd be right I don't believe it either Out in the outback Nature is the biggest single influence on the Aussie attitude And a very harsh and unforgiving influence it is Reality totally uncontrollable is never far outside the suburban limits
